Reflection Space: Please know that Carleton offers a number of places for prayer and/or quiet reflection during Accepted Student Days as well as throughout your time as a student. Our Chapel is generally open until midnight. Inside, there is a Muslim prayer room and foot washing station in the northeast corner of the basement; a Buddhist meditation room in the southeast corner of the basement is a good spot for individual meditation; feel free to use Little Chapel for private Christian prayer which you enter via the hallway on the west side of the Chapel.

Comfortable Communication: If anyone has questions about Carleton but words come more easily in a language other than English please know that our Admissions staff speaks 11 additional languages and we would gladly converse in any of the following: Danish, Ewe, French, Gurma, Hausa, Japanese, Latin, Mina, Minnesotan, Moba, Portuguese, and Spanish. Additionally, our current students and faculty combined speak over 50 languages; in our freshman class alone, 1/4 speak a language that isn’t English at home.
Welcome to Carleton College! We are so excited that you are taking the time to discover more about Carleton by attending our Accepted Student Days for the class of 2020. We have a day full of programming that we hope you’ll take advantage of. Whether it’s your first or fifth visit to campus, we don’t want to dictate your experience and hope you have an enjoyable time! If you have a question don’t hesitate to come back to the Admissions Office in Johnson House or simply contact Accepted Student Day Coordinator, Holly Buttrey, on her cell phone: 603-398-2078.
