Call on the ports of Stockholm and Copenhagen and experience the charm and history of these Scandinavian capitals. Cruise the spectacular fjords of Norway and end your trip in the historic port of Bergen.

Throughout the journey, your understanding of this rapidly changing region will be enhanced by a series of included and optional excursions led by expert guides. To complement your cruise program, we invite you to join a special optional two-night Post-Program in the ancient Hanseatic city of Bergen, Norway.

SOLIDARNOŚĆ

## LECH WALESA

We are honored to announce that by exclusive arrangement while in Gdańsk, our group will have a private meeting with Lech Walesa, winner of the Nobel Peace Prize, and leader of the Solidarity movement in its fight against Communism.

A worker in Gdańsk's Lenin Shipyard, Walesa emerged as a worldwide symbol of the resistance against Communism during the shipyard workers' strike of 1980 and the establishment of the Solidarity labor movement. Despite winning the right to form an independent union, Walesa and Solidarity were forced to continue their struggle against the Soviet-backed regime of General Jaruzelski, which jailed Walesa and imposed martial law in Poland in December, 1981.

In 1983, Walesa received the Nobel Peace Prize, a watershed moment widely considered to have been the first crack in the Iron Curtain of Soviet Communism that crumbled with the Berlin Wall in 1989. Only the third foreign dignitary, after the Marquis de Lafayette and Winston Churchill, to address a joint session of the U.S. Congress in 1989, Walesa served as President of Poland from 1990 to 1995.

We are indeed proud that this Polish hero and international symbol of the pursuit of freedom and democracy has agreed to meet with our group.
