

Class of 1955 Reunion Bio Book Questionnaire

At our recent committee meeting, we decided it would be more fun and interesting to approach the traditional “Bio Book” in a slightly different way, rather than repeat the information from our 50th reunion book. Therefore, please use this form and respond with your original answer to one of the suggested topics below:

1. What is one thing about you that your classmates do not know and that you feel comfortable sharing?
2. Aside from your family relationships, what event in your life has given you the most pleasure?
3. What would you like your legacy to be—for your family, community or profession?
4. Have you made any plans for your “senior” years in terms of living arrangements, travel and health care?
5. Do you still have some unfulfilled goals?
