Start-of-Term Prefect Program Survey

This course features evening study sessions for all students. I will use these surveys to determine the best days and times for the study sessions to meet. **Note:** attendance at prefect study sessions is optional; your participation is not a part of the grading criteria for the course.

The mission of the Prefect Program is to increase students' knowledge, deepen their understanding, and develop habits of mind important for success in a course. The sessions typically meet two times per week, and combine what-to-learn with how-to-learn strategies. Prefects also provide individual assistance to students who request additional help.

Please fill out this questionnaire, regardless of whether or not you plan to participate.

1) On a scale of 1 to 5 (1=not a priority; 5=highest priority) please indicate how high a priority attending a prefect study session would be among your present or potential commitments.

1 2 3 4 5

2) Have you ever attended a prefect study session for another class?

yes no

Mark with an "X" the hours you will **not** be available to attend help sessions.
