

FOR CURRENT SOPHOMORES AND JUNIORS:

<http://go.carleton.edu/fellow>

The Class of 1963 Student Research Fellowship

Purpose: These fellowships enable qualified students to carry out independent research activities in any field taught at Carleton College, or to undertake projects in the creative or performing arts.

Funding: Two awards are given annually of up to \$4,000.

Criteria:

- The fellowship is intended for juniors or sophomores for the summer prior to their senior (or junior) year.
- Students in any major are eligible.
- All applicants must be in good academic standing.
- Two letters of recommendation are required.
