Purpose: Independent Research Fellowships are intended to provide students an opportunity to undertake projects of their own design off campus. Such projects may be carried out independently or as a part of a research group.

Fellowship awards are intended for juniors to use during the summer prior to their senior year or winter break of their senior year.

Funding: Between four and six awards are given annually of up to \$4,000

Eligibility:

- Students studying any discipline are eligible.
- Students must be in good academic standing.
- Two letters of recommendation are required.
