

Math Comps Preferences

Math majors in the class of 2009 should return this form to Barb Jenkins by noon on Monday, April 14. All of the information on this form will be kept confidential, and while we will try to honor everyone's preferences, there may be situations in which we cannot.

Name: _____

Please indicate the order in which you prefer these projects, with 1 being your first choice. Be sure to rank at least five project/term combinations. Some projects have not been assigned to particular terms yet; although each of these will have only one incarnation, they are listed several times so you can express a preference over the possible terms.

What Mathematics courses have you taken?

Are there students you strongly prefer to work with?

Are there students you strongly prefer not to work with?

Which is more important to you: the students you work with, or the project you work on?

Is there anything else we should know about your comps preferences?
