

**CARLETON CONSERVATION AND DEVELOPMENT SEMINAR  
IN TANZANIA AND ETHIOPIA  
Faculty Director: Tsegaye Nega  
Winter 2011  
Application Deadline: Friday, April 16, 2010**

**INSTRUCTIONS FOR APPLICATION**

1. The **APPLICATION** should be completed by the applicant and returned to Professor Nega, Goodsell 105, by **April 16, 2010**. **Please use a word processor to complete this application.**
2. The **LETTERS OF REFERENCE** should be given to (1) a faculty member who can assess your academic performance, motivation, and ability to work in a group and (2) a faculty member, work supervisor, or other person who can assess your motivation, ability to work in a group, and likelihood of success in the program. Leave the appropriate form with the person willing to write for you and request that it be returned by the application deadline. It is the responsibility of each applicant to see that all materials are in place by the application deadline. **Professor Nega will not act on any file that is incomplete.**
3. A **TRANSCRIPT** and **DEGREE AUDIT** of your Carleton work-to-date must be supplied with this application. Download your transcript and degree audit from the Hub.
4. Applicants for Carleton programs should know that the Family Educational Rights & Privacy Act prevents release of information which is professionally confidential to the Health Service or Counseling Center at Carleton but allows disclosure to faculty of information held in student files elsewhere within the College if it is determined to be of legitimate educational interest. Certain information from files in the office of the Dean of Students, for example, might be available if sought by faculty director. A student who may be concerned about any information that might affect consideration of his/her place in a Carleton program has the right to provide his/her own interpretation of that information and is urged to discuss these concerns directly with the faculty director.
5. A personal **INTERVIEW** will be scheduled with Professor Nega. Eligibility criteria that will be considered during the selection process include faculty recommendations, satisfactory completion of academic prerequisites, GPA, personal qualities (maturity, independence, adaptability, ability to contribute to and engage with the group, willingness to initiate intercultural opportunities, flexibility, ability to deal with stress, a sense of humor, physical stamina), and compliance with College policies.
6. Students will be informed in writing of decisions on their application.
7. Students admitted to the seminar will be expected to confirm their intention to participate by signature on a letter of agreement due no later than **Friday, May 21, 2010**. The health assessment form will be due no later than **Friday, October 1, 2010**.

**NOTES:**

1. A **HEALTH FORM** is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems and/or to help the director or others respond on your behalf should you become ill abroad.
2. Regarding **HEALTH INSURANCE**, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take out additional coverage for the period of the seminar if it does not.
3. A student with a **DISABILITY** that may affect participation should discuss necessary accommodations as soon as possible with the Academic Accommodations Coordinator and the seminar faculty director.
