NOTES:

1. A **HEALTH FORM** is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems and/or to help the director or others respond on your behalf should you become ill abroad.
2. Regarding **HEALTH INSURANCE**, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take out additional coverage for the period of the seminar if it does not.
3. A student with a **DISABILITY** that may affect participation should discuss necessary accommodations as soon as possible with the Academic Accommodations Coordinator and the seminar faculty director.
