

## Release of Information to Faculty for Academic Accommodations

To notify faculty of your academic accommodations you must fill out a *Release of Information* form with the names of your instructors **each term**. We must have your signature to release your accommodations to the appropriate people. Please sign this form and return it to the front desk of Disability Services or drop it in the campus mail within the **first** week of the term. If you have any questions regarding your accommodations, contact Disability Services at extension 4080.

---

I AUTHORIZE Disability Services to release information regarding academic accommodations to the following instructors for Fall/Winter/Spring (circle one) term. Please note that we cannot provide accommodations unless you sign this *Release of Information* form.

I further understand that while Disability Services makes every effort to maintain confidentiality, student workers often deliver completed exams to faculty.

I will be seeking the following accommodations:
