

Carls Tie For First In Swimming Meet

With a total of 28 points, Carleton College tied for first place in the Central region division of the Women's Intercollegiate Swimming Meet.

The Carleton team swam in the Sayles-Hill pool on March 17. The results for the Central region still must be tallied with those of the Eastern and Western divisions of the United States. The national winners will not be known until next week.

In this meet, Carleton was again competing, for the first time in several years, against such schools as

the University of Wisconsin, Minnesota, Beloit, or in general the colleges and universities of the Mississippi Valley region.

The Carleton women scored three firsts: Betty Barker won the 40 yd. front crawl in 23:4. Phoebe Strehlow took the 100 yd. back crawl in 1:23:10, and the 80 yd. free style relay was handled by Betty Barker, Sue Frank, Cynthia Davidson, and Phoebe Strehlow in 42:8.

In the 40 yd. back crawl, Phoebe Strehlow placed second, and added

4 more points to the above mentioned 15.

To this score three thirds were chalked up: Cynthia Davidson in the 100 yd. front crawl, Betty Barker in the 60 yd. individual medley, and the 60 yd. medley relay by Phoebe Strehlow, Mary Ann Teweles, and Betty Barker.

The team is composed of the following: Cynthia Davidson, Sue Frank, Lou Leibold, Paulina Lynch, Janice Sather, Phoebe Strehlow, Mary Ann Teweles, and Jane Townsley, with Betty Barker as student manager. Betty, who came to Carleton as a junior transfer last year, has had previous intercollegiate swimming experience at Virginia Junior College. In the telegraphic meet of 1943 she placed first in the front crawl.

Sociology Club Meets In Great Hall Tuesday

Tuesday night at 7:30 o'clock, the Sociology club will hold a meeting in Great Hall.

Guests for the evening will be Mr. Elstad of the school for the deaf in Faribault and Mr. Lyson of the school for the blind.

Edward Everett II Memorial Scholarship Fund Established

Pfc. Edward A. Everett II, Carleton graduate who was killed in action in Southern France on October 2, 1944, has left \$5,000 to be used in a fund known as the Edward A. Everett II Memorial Fund, for the support of men art students at Carleton.

In a letter written from overseas to his mother, Mrs. William R. Everett, Everett expressed his wish that the fund be established. He wrote:

"If I do not come back, take my money and create a scholarship for male art students at Carleton who might not be able to buy such materials as oils, etc., or otherwise need help. Since I won't have my chance to do anything or in any way make my work in the world—I'd like to at least help some other fellow do the things I wanted to do or at least finish the education this war prevented me from finishing."

Everett graduated from Carleton in 1943 and took his major in art.

—Edward Everett

Assistance from his memorial fund will be assigned to Carleton students with the opening of the coming college year.
