

Language Exemption Petition for Bilingual Students

Students who speak a language other than English can fulfill Carleton's language requirement in their second language. There are a number of ways proficiency in a language can be established, including placement exams, submitting school records, verification by a Carleton professor, or testing (which Carleton will arrange and pay for). To help determine which route to take, please fill out this form and submit it to: docoffice@carleton.edu or to the Dean of the College office, Laird 131, 3-DOC.
