

## **Health Insurance:**

**Health Insurance is required for all students.** Carleton College requires that all students carry health insurance. You may continue coverage that you currently have through your family or you may purchase insurance through the College. The College is working with Specialty Risk Group for the 2006-2007 academic year. They offer an accident and sickness plan tailored to meet the needs of students. You may purchase this coverage at a group rate of \$649.00 for a full twelve-month period.

**Insurance information has been sent to you in a separate mailing.** We encourage you to examine the information closely. Please compare coverage between this policy and your family policy, keeping in mind out-of-state HMO/PPO issues, possible study abroad and general policy limits. If you wish to purchase coverage, and have not already done so, complete your enrollment online at: [www.Carleton.edu/campus/wellness](http://www.Carleton.edu/campus/wellness) by August 15, 2006. If your student has other coverage, complete your waiver information online at: [www.Carleton.edu/campus/wellness](http://www.Carleton.edu/campus/wellness) by August 15, 2006.

**Important: Please note that your class registration can be held or cancelled if the Carleton Wellness Center does not receive either the waiver or the enrollment information online.**

If at any time you wish to discuss the insurance program with a company representative, you may contact them at (800) 513-3788. The Wellness Center can be reached at 507-646-4080 or e-mail [wellness@acs.carleton.edu](mailto:wellness@acs.carleton.edu) or visit the website: [www.Carleton.edu/campus/wellness](http://www.Carleton.edu/campus/wellness) to enroll, waive or view the policy.

Please note that health service beyond general diagnosis of illness and treatment of minor accidents provided by the College's Wellness Center is not included in the comprehensive fee of the college. Students can utilize The Wellness Center even if they do not purchase the plan offered through Carleton College.
