The power of one season at Carleton

What is the power of one? At Carleton, we see the impact every day.

One term and one year are coming to an end, creating an exciting time for all of us.

One snowfall creates a winter wonderland on campus, complete with traying down Evans hill and playing broomball on the Bald Spot.

One season inspires us all to be more caring and more giving.

One gift helps Carleton. Your gift, combined with gifts from other alumni, helps the College further its mission, providing vital support to our students, faculty, and programs.

As 2006 comes to a close and you prepare your charitable gifts, please consider making a gift to support Carleton. Your gift will make a difference.

Thank you for your past, present, and future support of Carleton.

Happy Holidays from the Alumni Annual Fund Board.
