Open time for those who might want to say a few sentences
Swimming to the Other Side by Pat Humphries – Brett Smith

We are living next to the great Big Dipper
We are washed by the very same rain
We are swimming in the stream together
Some in power and some in pain
We can worship this ground we walk on
Ceremony that we live beside
Loving spirits will live forever
We’re all swimming to the other side

I am alone, and I am searching
Hungering for answers in my time
I am balanced at the brink of wisdom
I’m impatient to receive a sign
I move forward with my senses open
Imperfection, it be my crime
In humility I will listen
We’re all swimming to the other side

On this journey through thoughts & feelings
Binding intuitions, my head, my heart
I am gathering the tools together
I’m preparing to do my part
All of those who have come before me
Hand together and be my guide
Loving lessons that I will follow
We’re all swimming to the other side

When we get there we’ll discover
All of the gifts we’ve been given to share
I have been with us since life’s beginning
And we never noticed they were there
We can balance at the brink of wisdom
Never recognizing that we’ve arrived
Loving spirits will live together
We’re all swimming to the other side

Thank you for coming
