February 2013

Dear Classmates,

Because of our giving, Carleton meets the full financial needs of every student, and Carleton seniors graduate with lower loan indebtedness than the national average. In short, what we give to the College makes a difference.

In our 30\textsuperscript{th} reunion year we are dreaming big. We are hoping to match our 25\textsuperscript{th} reunion giving level in both dollars and participation. And we are making good progress. As of February 5\textsuperscript{th}, our class has contributed $190,203 from 141 of our classmates. But to meet our goals of $310,000 and 52\% we need your help.

Our 30\textsuperscript{th} is only a few months away, and as in prior reunion years, we hope you will consider helping out with a little extra support that at least matches your 25\textsuperscript{th} Reunion gift. If you have not given this year, or for several years, please consider doing so. If you have already given – Thank You! – and if there is any way you could increase your support that we would greatly appreciate it. Size Matters!

There are three ways to make your gift:

- Use the enclosed envelope
- Call 1-800-745-2275
- Online at give.carleton.edu/WMV13

Our tradition of alumni giving is as strong as ever, and continues to develop graduates who use their critical and creative talents to lead lives of learning.

Hope to see you at Reunion,

Your Class of ’83 Reunion Committee
