*Tom Thacher*

*Dan Tollman*

*Chris Wahlgren Edison*

*Marc Walwyn*

*Deirdre Weaver*

*Lynne Schneider Wilmot*

*Becky Loraas Zrimsek*

Hello '89ers,

Planning our return to Northfield has been a tremendous amount of fun, and we look forward to having you join us this summer from **June 20<sup>th</sup> to 23<sup>rd</sup>**.

Leave any hesitation you might have behind. Come enjoy one to three fantastic days of rest and relaxation or non-stop debauchery, your preference.

Every reunion is a new experience, whether your sixth or your very first. We Carls have been encouraged to forge our own paths in life and not worry about living up to anyone else's expectations of us. Come free of expectations, and be surprised by what you make of your reunion.

Although we are putting a premium on unstructured free time for all of those important, life-affirming conversations with your oldest friend or newest acquaintance, feel free to partake of these activities:

- Jennifer Bonner's [The Wait: Love, Fear, and Happiness on the Heart Transplant List](#), a conversation with co-author Susan Cushman.
- Life's Curveballs – a panel of classmates speaking of re-inventing their lives after unexpected twists in their paths.
- Knightingale Karaoke – come sing along to tunes from the last three decades with our large contingent of '89 Knightingales.

So mark your calendar now and start shopping for cheap airfare or a car rental, or be one of those special ones who arrives on campus by canoe, bike or horseback.

Each of you can help us get the word out and encourage your friends to join us in June by:

- Completing your Bio Book entry on the Class page at [tinyurl.com/89BioBook](http://tinyurl.com/89BioBook)
- Posting to the Carleton College Class of 1989 Facebook page\*

Get a look at one very special guest who will be joining us in June by watching the video at [tinyurl.com/Carleton1989](http://tinyurl.com/Carleton1989), but...

Only you can make our reunion very special, so we hope to see you there!

\* Many of you have already joined the Class Page on Facebook, but to make sure you are seeing posts in your newsfeed, please take a moment to watch these tips at [tinyurl.com/Carleton89FB](http://tinyurl.com/Carleton89FB)
