**Campus News: Updates from the Gender and Sexuality Center**

- The Gender and Sexuality Center (GSC) will be launching Carleton’s first LGBTQIA+ Ally Development Program (ADP) in fall 2019. The ADP is designed to help members of the Carleton community gain awareness, build knowledge, and develop skills that help support LGBTQIA+ people across campus—students, staff, and faculty. The GSC hopes the ADP will help foster a network of allies at Carleton that promotes more intentional conversations around sexualities, gender identities, and gender expressions.

- **The GSC in collaboration with PEAR and other offices across campus will be hosting guest speaker Byron Hurt on Monday October 14, 2019.** Hurt is a critically acclaimed writer and documentary filmmaker who addresses issues affecting college students across the country. In his presentation, “Locker Room Talk or Toxic Masculinity,” Hurt will explore how everyone is implicated in the conversation around the culture of sexual violence and what we can do at Carleton to encourage healthy discussions and respectful relationships.

- The GSC hosted the Senior Celebration in May. A great event to recognize our 2019 grads!

- **June Reunion Out After Carleton Reception**

Thank you to those who were able to join us on an afternoon of fun, friendship, and great discussions that celebrate our community. Don’t forget an Out After Carleton reception is an event at every June Reunion.
