Getting to Northfield

If you are flying to Minneapolis, here are a couple options of transportation from the airport to Carleton:

- **Care♥Tenders, Inc.** - 48-hour advance reservations required (or additional charge applies). Cost is approx. $80 for round-trip rides between Northfield and the airport. Cash, check, and major credit cards accepted. Locally owned and operated. For reservations, call 507-664-3859 or 1-888-492-7433.

- **Archer Limousine** - 48-hour advance reservations required. Cost is approx. $80 each way between Northfield and the airport. Major Credit cards accepted. For reservations, call 877-503-9482 or go online to www.archerlimo.com.

Lodging

Because Carleton is in session (dead days are a week after the Knights Reunion!), those who need a place to stay will need to stay off-campus. A list of Northfield lodging possibilities is on the enclosed card. Rooms are being held at the Archer House (downtown hotel) and the Country Inn and Suites, both close to the campus. At this writing, one room is available at Dacie’s (inexpensive, but likely noisy!) Dick Adams ’71 indicates he has a room available for one guest in Minneapolis (contact: randrbigtimber@earthlink.net)

Meals

On your own (with others?) except for Saturday dinner and Sunday brunch.

What to do in Northfield

The enclosed card also gives you a website for the Northfield Entertainment Guide, which is updated regularly. Northfield has changed fairly dramatically over the last few years with a population now of 18,500, but the historic downtown is still there – with more shopping and entertainment options.

Weather

Unpredictable for early March, but the last month was 18 degrees above “normal” and the grass is greening-with white (grey) borders.

Spouses and Significant others

Welcomed and encouraged.
**Knights in Memoriam**

We know of only two former Knights who have died:

Jerry Schwanbeck ’59  
Mike Olcada ‘69

If you are aware of others, please include their name with your registration or e-mail alumni-office@acs.carleton.edu so that we may honor them at the reunion.

**CD’s, Tapes and Records**

The following CD’s and tapes are available and will be sold if requested ($10.00 at the reunion, $15.00 if mailed. Proceeds will be split between the current Knights and the Dacie Moses Endowed Fund – see below)

1. 1993 – 12 Knights in a Row, DC (very limited supply)  
2. 1995 – 40 years later, tape cassette (limited supply-the Carleton Bookstore has a few CD’s)  
3. 1997 – Vanillaroma, CD  
4. 1999 – All the Kings Men, CD  
5. 2002 – In Shining Armor, CD (very limited supply)  
6. 2004 – The House that Dacie Built, CD  
7. 1959 – The original Knights of Carleton record remastered to CD  
   (Thanks to Bob Parsonage ’59 for the 2004 class reunion)

These may be ordered on your registration form (even if you don’t plan to attend), or purchased at Dacie’s during the reunion.

We also have copies of two records, Dacie and Knights from 1967, and The Knights of Carleton 24 years later from 1980 which we hope to have remastered to CD in single copy for use by KRLX (KARL to you old-timers) and to hear at Dacie’s. We are still looking for other records. Please let us know if you have one! Or more! Records were more difficult and expensive to produce, so were not issued as often as CDs are now.

All the above should be available to listen to at Dacie’s during the reunion. If you can patch a group together, they make a great recall device to quickly relearn a number or two.

We also have a DVD of the original Knights made by Bob Bonebrake ’59 for the 2004 reunion which will be available for viewing at Dacie’s. Thanks Bob!

**Dacie’s House**

110 Union Street is still going strong. It is open 24 hours a day most of the year. The house is well maintained, but much older than most Carleton facilities, much to the chagrin of Carleton’s Facilities Department who would like, some day, to replace the house or move the program. Because of other concerns for them, the proposal has been on the back burner for a couple of years, but it is bound to return. The College provides a budget for student residents and workers
to clean and help with brunches and for food for brunches and cookie making. They also cover maintenance and other needed costs. Dacie’s house is under the jurisdiction of the Residential Life division of the Dean of Students Office, who are very supportive of the program. The house is operated by the Dacie Moses Committee, made up of Dacie regulars (including Dixon), the student residents, Julia Ulberg (who has lived upstairs seemingly forever and provides on site oversight) and representatives of Residential Life and the Alumni Affairs Office. The spirit of Dacie is maintained through memorabilia, the continued presence of those of us who knew Dacie and an extremely well written personal history of the house prepared by Sherry Briller ’89, which is always available to all who visit. Visitors include faculty, administration and townspeople in addition to Carleton students and some Ole students! Cribbage wafts and wanes, while cookie baking, often at 2 a.m., continues unabated. The Knights and Knightengales still practice there, too.

**Dacie Moses Award Fund**

This year also marks the twenty-fifth anniversary of Dacie’s death, so roughly half of us knew Dacie personally. When she died, a memorial fund was established by the Alumni Association to honor Dacie. Its principal value is about $1,200. Every year, the College awards one senior (occasionally two) the Dacie Moses Award as nominated by other students and chosen by the Dacie Moses House Committee. That award has been $100.00 for twenty-five years and the proceeds from Dacie Moses Award Fund provides about half of the award. The award is to the senior student who is deemed to have most exemplified Dacie’s characteristics of warmth, generosity, and hospitality shown during his/her tenure at Carleton.

To honor fifty years of history for the Knights and twenty-five years since Dacie’s death we would like to encourage you to join us in making a contribution to this fund. This will help show Carleton that Dacie is still meaningful to many of us and encourage future consideration of Dacie’s house and its unique program. The number of gifts is as important as dollars, but gifts should not replace other support you may give to Carleton, in other ways. If we could double the fund, it would pay for the full annual award. More, we could increase the award and start to pay for the cost of house operation. If you choose to support the fund, a line is included on the registration form, or gifts may be sent to the Moses Award Fund, Carleton College Development Office, One North College Street, Northfield, MN 55057. Thanks for considering this way of marking our fifty years at Dacie’s and our tie to Dacie Moses.

**Most Important**

Come, sing, join. If you can’t come, send a note to share with your fellow AlumKnights. Indeed, we can march forward and March Fourth! Thanks for being a part of this history.
