Did You Know?

- Better value...exclusively insures students - The Student Health Insurance Plan is almost always a better value than other insurance options because it exclusively insures students, those who tend to be healthier than the general population.

- Unlimited Plan Maximum - The Student Health Insurance Plan is greatly improved compared to past years, including prescription benefits and more.

- Affordable Care Act Compliant - The Student Health Insurance Plan meets specific federal and school requirements.

The government is now requiring the insurance company to provide a list of the insured participants under the plan. The list MUST include your social security number. Your information will be secure and only shared with the insurance company. If you have any questions regarding the requirement of the social security number you can contact the customer service department at 800-756-3702. The insurance company will send you an electronic copy of the information it reports to the government.
