INDEPENDENT AUDITORS' REPORT

Board of Trustees Carleton College Northfield, Minnesota

Report on the Financial Statements

We have audited the accompanying financial statements of Carleton College, which comprise the balance sheets as of June 30, 2017 and 2016, and the related statements of activities and change in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Trustees Carleton College

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Carleton College as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The expanded balance sheets and the expanded statements of activities and change in net assets, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 27, 2017, on our consideration of Carleton College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Carleton College's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Founded in 1866, Carleton College is a co-educational, residential liberal arts college, located in Northfield, Minnesota. Carleton attracts a diverse student body and a distinguished faculty whose priority is teaching with a commitment to the liberal arts. Carleton is a national college enrolling approximately 2,000 students drawn from nearly all 50 states and 35 different countries. Carleton offers a four-year baccalaureate degree, with 32 majors in the arts, humanities, natural sciences/mathematics, and social sciences, preparing its graduates for leadership positions in their communities, countries and the world.

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the College and changes therein are classified and reported as unrestricted, temporarily restricted, or permanently restricted. Further explanation is as follows:

<u>Unrestricted</u> – Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the board of trustees.

<u>Temporarily Restricted</u> – Net assets whose use by the College is subject to donorimposed restrictions that can be fulfilled by actions of the College pursuant to those restrictions or that expire by the passage of time.

<u>Permanently Restricted</u> – Net assets subject to donor-imposed restrictions that they be maintained permanently by the College. Generally, the donors of these assets permit the College to use all of, or part of, the income earned on related investments for general or specific purposes.

Revenues are reported as increases in unrestricted net assets unless use of the revenue is restricted by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investment and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is defined by donor-imposed restrictions.

Temporarily restricted net assets for which donor-imposed restrictions are met in the current period are reclassified to unrestricted net assets and reported as net assets released from restrictions.

Periodically donor restrictions related to net assets may be clarified or changed, such changes are reflected as fund transfers at the time they are identified.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Cash and Cash Equivalents

Cash and cash equivalents include interest-bearing money market accounts and short-term investments with a maturity at time of purchase of less than three months. The amounts on hand may at times exceed the federally insured limit defined by the FDIC.

Contributions Receivable

Contributions receivable include pledges that are recorded at their present value using discount rates ranging from approximately .11% to 2.54% depending on the year of pledge inception. An allowance for uncollectible contributions receivable is provided based upon management's judgment including such factors as prior collection history, type of contribution and nature of fundraising activity. For the years ended June 30, 2017 and 2016, the College had an allowance of \$200,000.

Other Receivables and Loans to Students

Receivables are stated at net realizable value. Based on management's experience and analysis of individual accounts past due, the allowance for uncollectible accounts was \$185,000 for the years ended June 30, 2017 and 2016. The allowance is evaluated annually.

Inventories

Inventories consist primarily of print center paper supplies, facility storeroom supplies and steam plant fuel oil reserves for the back-up generators. Inventories are stated at the lower of cost, determined by the first-in, first-out method, or market.

Deposits with Bond Trustee

Deposits with bond trustee include amounts restricted for bond principal and interest payments and amounts restricted for current and future construction projects.

Fair Value Measurements

The College reports investments, trusts held by others and swaps at fair value. Fair value represents the price that would be received upon the sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants as of the measurement date.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Most of the College's investments are held through limited partnerships and commingled funds for which fair value is estimated using net asset values (NAVs) reported by fund managers as a practical expedient for fair value measurements. GAAP allows such NAV measured investments to be excluded from the categories in the fair value hierarchy.

GAAP establishes a fair value hierarchy that prioritizes the inputs used to measure fair value into three levels:

Level 1 – quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities.

Level 2 – observable prices that are based on inputs not quoted in active markets, but corroborated by market data.

Level 3 – unobservable inputs that are used when little or no market data is available.

The fair value hierarchy gives highest priority to Level 1 inputs and lowest priority to Level 3 inputs. In determining fair value, the College utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost less accumulated depreciation. The College capitalizes expenditures greater than \$10,000. Depreciation is computed on the straight-line method over the estimated useful lives of the assets:

		Or	riginal Cost 2017
Land	No Depreciation	\$	3,785,213
Land Improvements	30 Years		826,358
Buildings and Building Improvements	20 - 40 Years		268,924,599
Library Books	10 Years		35,454,540
Equipment and Vehicles	3 - 5 Years		55,013,116
Construction in Progress	No Depreciation		39,909,292
Total Original Cost		\$	403,913,118

Deferred Income and Deposits

The College records cash received for future services as deferred revenue. This revenue is recognized when services are provided. Deferred revenue consists primarily of unearned tuition.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Asset Retirement Obligation

Financial accounting standards require the College to accrue for the present value of future estimated costs to remediate asbestos environmental hazards related to property owned by the College. The College has estimated the cost of potential obligations and applied a future value rate assumption of 3% and a present value risk-free rate of 5% to determine the potential liability. Conditional asset retirement obligations reported within liabilities in the balance sheets as of June 30, 2017 and 2016 were \$1,731,368 and \$1,139,803, respectively.

Refundable Government Grants for Student Loans

Funds provided by the United States Government under the Federal Perkins Loan program are loaned to qualified students and may be re-loaned after collection. If the College were to terminate the Federal Perkins Loan Program, these funds would be refundable to the government and, therefore, are included in other long-term liabilities.

Endowment

The Carleton board of trustees has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the original gifts as of the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary. As a result of this interpretation, the College classifies as permanently restricted net assets, (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Endowment funds include unrestricted, temporarily restricted, and permanently restricted net assets. Endowment net assets classified as unrestricted include funds designated by the board of trustees for the long-term support of the College, including any accumulated income and appreciation thereon. Temporarily restricted endowment net assets include accumulated appreciation on donor-restricted endowment funds, as well as donor-restricted, spendable gifts designated for long-term support of the College. Permanently restricted endowment net assets include those funds designated by donors to be invested in perpetuity to provide a permanent source of income.

The College has established an endowment spending policy used to determine an annual spending dividend. Total spending is equal to 70% of prior year spending increased by 2%; plus 30% of 4.95% of the 12 quarter average market value of the endowment unit value for the period ending June 30 of the year, one year prior to the start of the fiscal year (as of June 30, 2015 for the fiscal year 2017); banded by not more than 5.75% or less than 3.75% of the market value of the endowment for the period ending June 30 prior to the start of the fiscal year.

Planned Gift Split-Interest Agreements

The College records three types of planned gift split-interest agreements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Planned Gift Split-Interest Agreements (continued)

When the College serves as trustee, annuities payable represent the College's liability under annuity contracts with donors and irrevocable charitable remainder trusts. Specific contract terms vary by donor. The liability is established at the time of the contribution using life expectancy actuarial tables and discount rates and is revalued annually; referencing the 2000CM life expectancy tables. Actual gains and losses resulting from the annual revaluation of annuity obligations are reflected as temporarily or permanently restricted, consistent with the method used to initially record the contributions. The basis used to recognize the asset is fair value.

When the College does not serve as trustee for an irrevocable charitable remainder trust, the College records its beneficial interest in those assets as contribution revenue and funds held in trust by others at the present value of the expected future cash inflows. Such trusts are recorded at the date the College has been notified of the trust's existence and sufficient information regarding the trust has been accumulated to form the basis for a valuation. Changes in the value of these assets related to the amortization of the discount or revisions in the income beneficiary's life expectancy are recorded as gains or losses of either temporarily or permanently restricted net assets. The value of the College's interest in these trusts is included in trusts held by others on the balance sheet.

The College is also the beneficiary of certain perpetual trusts held and administered by others. The present value of the estimated future cash receipts from the trust are recognized as contribution revenue and funds held in trust by others at the date the College is notified of the establishment of the trust and sufficient information regarding the value of the trust has been provided to the College. Annual distributions from the trusts are recorded as investment income in the period they are received. Changes in fair value of the trusts are recorded as financial capital gains or losses of permanently restricted net assets. The value of the College's interest in the trusts is included in trusts held by others on the balance sheet.

Advertising Expense

Advertising expense is expensed as incurred. Advertising expense for the years ended June 30, 2017 and 2016 was \$88,877 and \$78,615, respectively.

Income Taxes

The College qualifies as a tax-exempt nonprofit organization under Section 501(c)(3) of the Internal Revenue Code (IRC) and similar statutes of Minnesota law. The College is subject to federal income tax only on net unrelated business income under the provisions of Section 501(c)(3) of the IRC. The College has evaluated its tax positions and determined it has no uncertain tax positions and has recorded no obligation for unrelated business income tax. No provisions for federal or state income taxes are required as of June 30, 2017.

Reclassifications

Certain amounts appearing in the 2016 financial statements have been reclassified to conform with the 2017 presentation. The reclassifications have no effect on reported amounts of total net assets or change in total net assets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Expenses

The College reports expenditures in categories reflecting core operational objectives for higher education as defined by Integrated Postsecondary Education Data System (IPEDS). During the year expenses are directly coded to program (instruction, research, academic support, student services, and auxiliary enterprises) or support services (institutional support) whenever possible. Expenses which are not directly identifiable by program or support service are allocated based on the best estimates of management.

Subsequent Events

In preparing these financial statements, the College has evaluated events and transactions for potential recognition or disclosure through October 27, 2017, the date the financial statements were available to be issued.

NOTE 2 INVESTMENTS AND FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE

Basis of Reporting

Investments include endowment, charitable gift annuities, pooled life income funds, and unrestricted operating investments. Investments are reported at estimated fair value. If an investment is held directly by the College and an active market with quoted prices exists, the market price of an identical security is used as reported fair value.

The majority of the College's investments are in shares or units of institutional commingled funds and investment partnerships invested in equity, fixed income, hedge funds, private equity, or real asset strategies. Hedge fund strategies involve funds whose managers have the authority to invest in various asset classes at their discretion, including the ability to invest long and short. Funds with hedge strategies generally hold securities for other financial instruments for which a ready market exists and may include stocks, bonds, put or call options, swaps, currency hedges and other instruments, and are valued by the investment manager accordingly. Private equity funds employ buyout, venture capital, and distressed credit strategies. Real asset and natural resource funds generally hold interest in private real estate, oil and gas partnerships, alternate energy partnerships, and mineral holdings.

NOTE 2 INVESTMENTS AND FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE (CONTINUED)

Basis of Reporting (Continued)

The College's interest in commingled investment funds are generally reported at the net asset value (NAV) reported by the fund managers and assessed as reasonable by the College, which is used as a practical expedient to estimate the fair value of the College's interest therein, in the absence of readily determinable fair value, unless it is probable that all or a portion of the investment will be sold for an amount different from NAV. As of June 30, 2017, the College had no plans or intentions to sell investments at amounts different from NAV.

These NAV measurement adhere to fair value accounting as required by ASC 820, Fair Value Measurements and Disclosures, however because of inherent uncertainties in valuation assumption, the estimated fair value for alternative investments such as private equity and private real estate may differ significantly from value that would have been used had a ready market existed. The valuations are determined by the fund managers and generally consider variable such as operating results, comparable earnings multiples, projected cash flows, recent sales prices, and other pertinent information.

The following tables summarize the College's investments by category and as applicable in their fair value hierarchy as of June 30, 2017 and 2016:

	Investments at Fair Value as of June 30, 2017									
	N	NAV Practical Expedient		Level 1		Level 2		Level 3		Total
Investments:										
Cash and Cash Equivalents	\$	-	\$	17,073,257	\$	-	\$	-	\$	17,073,257

NOTE 2 INVESTMENTS AND FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE (CONTINUED)

Basis of Reporting (Continued)

Liabilities measured at fair value on a recurring basis as of June 30, 2017 and 2016:

	Investments at Fair Value as of June 30, 2017									
	Level 1	Level 2	Level 3	Total						
Interest Rate Swap	\$ -	\$ 482,797	\$ -	\$ 482,797						
	Inv	016								
	Level 1	Level 2	Level 3	Total						
Interest Rate Swap	\$ -	\$ 961,270	\$ -	\$ 961,270						

Interest rate swap agreements are classified as Level 2 as they are valued based on active market inputs. The College has the right to terminate the swap agreement at any time, at a commercially reasonable amount at the measurement date.

Trusts held by others are valued at the present value of the future distributions expected to be received by the college over the term of the agreement; essentially equivalent to the market value of the college share of the trust as provided by the trust administrator.

The following tables are a roll forward of the balance sheet amounts for financial instruments classified by the College within Level 3 of the fair value hierarchy defined above.

Level 3 assets are as follows:

	Re	eal Estate						
	а	nd Other		Trusts Held	Total

Planned Gift Agreements and Other	 -	 -	_	-		-				56,499,589		56,499,589
Total Investments	\$ 223,832,047	\$ 20,885,850	\$	128,587,546	\$	74,344,924	\$	149,777,766	\$	280,511,684	\$	877,939,817

All net realized and unrealized gains (losses) in the table above are reflected in the accompanying statement of activities and change in net assets. Net unrealized gains (losses) relate to those financial instruments held by the College at June 30, 2017 and 2016.

At June 30, 2017 and 2016, the College had outstanding commitments of \$131,714,017 and \$154,515,592, respectively, to private capital investments that have not yet been drawn down by the general partners of these funds. Typically, committed capital is drawn down and invested over a several year period. In the past, draw downs on outstanding commitments have been funded by distributions from the private capital portfolio, as well as cash and other liquid investments.

At June 30, 2017 and 2016, the College had \$19,915,346 and \$24,243,227, respectively, invested with hedge fund investments which utilized side pockets within their portfolio of investments. Side pockets are segregated accounts used by hedge funds to hold illiquid investments.

The College holds mortgages on residences of eligible faculty and staff members that amounted to \$958,709 and \$985,709 as of June 30, 2017 and 2016, respectively. The average interest rate on the mortgages for the years ended June 30, 2017 and 2016 was 5.15%.

NOTE 2 INVESTMENTS AND FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE (CONTINUED)

Liquidity (Continued)

Investment expense totaled \$8,180,271 and \$7,729,406 for the years ended June 30, 2017 and 2016, respectively, and is netted with investment income.

The carrying amounts of cash and cash equivalents and pledges receivable approximate fair value because of the short maturity of these financial instruments.

The carrying amount of bonds payable approximates fair value because these financial instruments bear interest at rates which approximate current market rates for bonds with similar maturities and credit quality.

NOTE 3 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment as of June 30, 2017 and 2016 are as follows:

	2017	2016
Land	\$ 3,785,213	\$ 3,785,213
Land Improvements	826,358	827,340
Buildings and Building Improvements	268,924,599	260,418,758
Library Books	35,454,540	34,991,527
Equipment and Vehicles	55,013,116	54,110,655
Construction in Progress:		
Residence Hall Renovations	721,437	1,993,808
Academic Building Renovations	36,362,075	7,088,037
Utility Master Plan	2,232,758	-
Other	593,022	407,915
	403,913,118	363,623,253
Less: Accumulated Depreciation	(174,651,516)	(166,330,292)
Total	\$ 229,261,602	\$ 197,292,961

Total depreciation expense as of June 30, 2017 and 2016 was \$10,798,461 and \$10,861,109, respectively.

The College has capitalized collections received of \$181,100 and \$109,000 for the years ended June 30, 2017 and 2016, respectively. These collection items are valued at fair market value at the date of donation and are not depreciated.

NOTE 4 BONDS PAYABLE

Bonds payable at June 30, 2017 and 2016 consisted of the following bonds issued by the Minnesota Higher Education Facility Authority (MHEFA) on behalf of the College:

	2017	2016
	•	
Revenue Bonds, Series 5-G	\$ -	\$ 23,000,000
Revenue Bonds, Series 6D	12,165,000	15,005,000
Revenue Bonds, Series 6T	-	16,950,000
Revenue Bonds, Series 7D	-	27,390,000
Revenue Bonds, Series 2017	124,900,000	
Bonds Payable	137,065,000	82,345,000
Less: Unamortized Origination Costs	(896,727)	(709,421)
Plus: Unamortized Premium	14,277,956	757,454
Bonds Payable, Net	\$ 150,446,229	\$ 82,393,033

On June 8, 2000, MHEFA Series 5-G Variable Rate Demand Revenue Bonds (the Bonds) were issued in the amount of \$23,000,000 originally scheduled to mature in 2030. On May 24, 2017, the Series 5-G was refunded and retired with proceeds from MHEFA Series 2017 Revenue Bonds. The interest rate on the Bonds prior to refunding, adjusted weekly, ranged from .47% to .96% during the fiscal year 2017 with an average rate of .72%. Original proceeds from the Bonds were used to finance a new language and dining center and for student resident housing improvements.

On April 1, 2005, MHEFA issued Series 6-D Variable Rate Demand Revenue Bonds (the Bonds) in the amount of \$31,460,000 for the College. The Bonds mature April 1, 2035. The interest rate on the Bonds, adjusted weekly, ranged from .47% to .96% during the fiscal year 2017 with an average rate of .73%. Proceeds of approximately \$28,000,000 were used to retire the Series 3-L1 and retire identified Series 4-N bonds upon maturity. The remaining proceeds were used to finance new student housing and real estate acquisitions near the College campus for purposes related to the educational mission of the College.

On December 1, 2008, MHEFA Series 6-T Fixed Rate Revenue Bonds (the Bonds) were issued in the amount of \$19,665,000 with serial maturities through 2018 and term bonds maturing in 2023 and 2028. On May 24, 2017, the Series 6-T was advance refunded and retired with proceeds from the MHEFA Series 2017 Revenue Bonds. Interest rates formerly ranged from 3.00% to 5.00%. Original proceeds from the Bonds were used to finance new student housing and utility infrastructure improvements.

On June 29, 2010, MHEFA Series 7-D Fixed Rate Revenue Bonds (the Bonds) were issued in the amount of \$30,455,000 with serial maturites through 2021 and term bonds maturing in 2030 and 2040. On May 24, 2017, the Series 7-D was advanced refunded and retired with proceeds from the MHEFA Series 2017 Revenue Bonds. Interest rates formerly ranged from 1.50% to 5.00%. Originally proceeds from the Bonds were used to finance construction and renovation of the Weitz Center for Creativity.

NOTE 4 BONDS PAYABLE (CONTINUED)

On May 24, 2017, MHEFA issued Series 2017 Fixed Rate Revenue and Refunding Bonds (the Bonds) in the amount of \$124,900,000 for the College. The bonds include serial maturities in 2018 through 2042, term bonds maturing in 2044 and 2047. The 2044 term bond has mandatory principal redemptions in 2043 – 2044 (final maturity) and the 2047 term bond has mandatory principal redemptions in 2045 – 2047 (final maturity). The Bonds are subject optional redemption beginning March 1, 2027. Coupon rates range from 3.00% to 5.00% with a combination of premium bonds and one par bond. Yields range from .86% to 3.75%. The Bonds have a true interest cost (TIC) of 3.29%. Proceeds were used to refund the Series 5-G, and advance refund the Series 6-T and Series 7-D. New money proceeds of \$70,000,000 were used to finance construction and renovation of the Science Complex; redesign the campus utility infrastructure and construct a music and performance addition to the Weitz Center for Creativity.

The scheduled maturities of debt in each of the five years subsequent to June 30, 2017 are as follows:

Year Ending June 30,	Amount
2018	\$ 5,715,000
2019	5,260,000
2020	4,565,000
2021	4,705,000
2022	4,890,000
Thereafter	111,930,000
Total	\$ 137,065,000

The bond agreements contain various covenants regarding submission of financial statements and budgets; notice of intent to issue additional debt; and require certain debt coverage financial ratios.

Interest Rate Swaps

The College uses one interest rate swap agreement as part of its risk management strategy to manage exposure to fluctuations in interest rates and to manage the overall cost of its debt. The interest rate swap agreement is not entered into for trading or speculative purposes. The interest rate swap agreement is recognized as a liability on the balance sheets and as measured by its fair value. The college expects to hold the interest rate swap agreement for the life of the strategy, and reflects interim unrealized gains or losses depending on the change in value since the inception of the contract. All unrealized and realized gains and losses from the interest rate swap agreements are reflected in the statements of activities and change in net assets.

On March 31, 2005, the College entered into an interest rate swap agreement with Morgan Stanley Capital Services Inc. terminating April 1, 2022, under the terms of the swap agreement, the College will pay a fixed rate of 3.53% and receive a variable rate of 68% of LIBOR. The current notional amount of the agreement, \$9,130,000, declines annually with each principal payment of MHEFA Series 6D variable rate bonds. At June 30, 2017 and 2016, the fair value of swap agreement liability was \$482,797 and \$961,270, respectively.

NOTE 4 BONDS PAYABLE (CONTINUED)

Interest Rate Swaps (Continued)

The College has the right to terminate the swap agreement at any time, at its sole discretion, at a commercially reasonable amount. Morgan Stanley can only terminate when there has been an event of default by the College or if the College debt is rated lower than Baa3. The termination at such time will be at the then commercially reasonable amount.

Standby Bond Purchase Agreements

The College has a standby bond purchase agreement to provide liquidity support for the Series 6D variable rate bonds, which are remarketed weekly. In the event some or all of the bonds were tendered and not remarketed, the facility provides for the purchase of the unremarketed bonds by the bank. Any funds provided by this liquidity facility would be payable to the bank by the College. The College pays an annual commitment fee of .45% on the Series 6D agreements which expire April 30, 2020. There have been no bonds purchased by the bank under the agreements as of June 30, 2017. If the standby bond purchase agreements are not extended, and the Series 6D are not re-financed by April 30, 2020, the balance outstanding on the bonds would become due and payable.

NOTE 5 ENDOWMENTS

The College endowment consists of approximately 680 individual donor restricted endowment funds and 139 board-designated endowment funds. The College pools these investments in a unitized pool similar to an open-ended mutual fund. Funds added or withdrawn from the pool are recorded at their share of the market value per share at the beginning of the month within which the transaction takes place.

The market value of the endowment reported in the financial statements includes the present value of pledges receivable. The market value of endowment investments, excluding contributions receivables to the endowment, was \$828,168,145 and \$738,135,607 as of June 30, 2017 and 2016, respectively.

Endowment net asset composition by type of fund as of June 30, 2017:

	2017					
		Temporarily	Permanently			
	Unrestricted	Restricted	Restricted	Total		
Donor Restricted Endowment Funds	\$ (1,676,740)	\$ 336,977,534	\$ 207,899,853	\$ 543,200,647		
Board Designated Endowment Funds	284,967,498			284,967,498		
Subtotal Endowment Funds	283,290,758	336,977,534	207,899,853	828,168,145		
Contributions Receivable	(200,000)	689,441	8,650,426	9,139,867		
Total Endowment Funds	\$ 283,090,758	\$ 337,666,975	\$ 216,550,279	\$ 837,308,012		

NOTE 5 ENDOWMENTS (CONTINUED)

Changes in endowment net assets for the year ended June 30, 2017:

	2017				
		Temporarily	Permanently	_

Total Other Changes	(5,024,152)	4,415,460	2,725,477	2,116,785		
Endowment Fund Balance, June 30, 2016	\$ 243,906,681	\$ 298,020,320	\$ 197,695,546	\$ 739,622,547		

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the value of the initial and subsequent donor gift amounts (deficit). When donor endowment deficits exist, they are classified as a reduction of unrestricted net assets. Deficits of this nature reported in unrestricted net assets were \$1,676,740 and \$5,314,570 as of June 30, 2017 and 2016, respectively. These deficits resulted from unfavorable market fluctuations that occurred shortly after the investment of newly established endowments, and authorized appropriation was deemed prudent.

NOTE 6 RETIREMENT PLAN

Retirement benefits for substantially all full-time nonunion employees are individually funded and vested under a defined contribution program with the Teachers Insurance and Annuity Association and the College Retirement Equities Fund (TIAA and CREF). Under this agreement, the College and plan participants contribute to individual employee TIAA-CREF retirement accounts which fund individual retirement benefits.

Expenses for the College's share of the contributions were \$5,422,413 and \$5,189,906 in 2017 and 2016, respectively.

NOTE 7 CONTRIBUTIONS RECEIVABLE

Unconditional promises to give are included in the financial statements as contributions receivable and revenue in the appropriate net asset category.

Contributions receivable are summarized as follows at June 30, 2017 and 2016:

 2017		2016
\$ 4,013,277	\$	2,253,384
20,059,268		12,169,952
 1,210,867		923,456
 25,283,412		15,346,792
(1,109,563)		(508,256)
 (200,000)		(200,000)
\$ 23,973,849	\$	14,638,536
\$	\$ 4,013,277 20,059,268 1,210,867 25,283,412 (1,109,563) (200,000)	\$ 4,013,277 \$ 20,059,268 1,210,867 25,283,412 (1,109,563) (200,000)

Contributions receivable from board members and employees totaled \$10,031,171 and \$11,869,810 at June 30, 2017 and 2016, respectively.

At June 30, 2017 and 2016, approximately 12% and 26% gross contributions receivable, respectively, were attributed to one contributor.

NOTE 8 CREDIT QUALITY OF STUDENT NOTES RECEIVABLE

The College issues uncollateralized loans to students based on financial need. Student loans are funded through Federal government loan programs or institutional resources. Allowances for doubtful accounts are established based on prior collection experience and current economic factors which, in management's judgment, could influence the ability of loan recipients to repay the amounts per the loan terms. At June 30, 2017 and 2016, student loans represented approximately 0.54% and 0.73%, respectively, of total assets.

At June 30, student loans consisted of the following:

	2017	2016
Federal Government Programs	\$ 6,508,799	\$ 7,611,685
Henry Strong Loan Program	165,587	184,635
Institutional Loan Programs	742,955	 713,059
Subtotal, Gross	 7,417,341	 8,509,379
Less Allowance for Doubtful Accounts:		
Beginning of Year	(155,000)	(155,000)
Changes to Allowance	 <u>-</u>	
End of Year	(155,000)	(155,000)
Student Loans Receivable, Net	\$ 7,262,341	\$ 8,354,379

Funds advanced by the Federal government of \$4,512,205 and \$4,534,626 at June 30, 2017 and 2016, respectively, are ultimately refundable to the government and are classified as liabilities on the balance sheets.

NOTE 8 CREDIT QUALITY OF STUDENT NOTES RECEIVABLE (CONTINUED)

At June 30, 2017 and 2016, the past due and current amounts under student loan programs were as follows:

	 2017	2016
Current Loan Receivables	\$ 6,978,854	\$ 7,864,559
Past Due Loan Receivables:		
0-240 Days Past Due	301,870	480,443
240 Days - 2 Years Past Due	22,058	17,667
2-5 Years Past Due	14,156	100,216
5+ Years Past Due	 100,403	46,494
Total Past Due	438,487	644,820
Total Student Loan Receivables, Gross	\$ 7,417,341	\$ 8,509,379

As of June 30, 2017 and 2016, the Perkins Cohort Default rate was .83% and 1.78%, respectively.

NOTE 9 COMMITMENTS AND CONTINGENCIES

The College is involved in various legal actions arising in the normal course of activities and is subject to periodic audits and inquiries by various regulatory agencies. Although the ultimate outcome of such matters is not determinable at this time, management believes that the resolution of these pending matters will not have a materially adverse effect on the College's financial statements.

During the year, the College entered into various contracts for construction of new academic buildings and other infrastructure improvements. As of June 30, 2017 and 2016, the remaining commitment on these contracts totaled \$17,981,704 and \$38,132,969, respectively.

NOTE 10 SELF-INSURED MEDICAL BENEFITS AND WORKERS' COMPENSATION

The College provides medical benefits through a self-insured plan, which is available to all employees of the College who meet eligibility requirements for medical benefits. Accrued expenses include an incurred but not reported reserve of \$1,025,000 as of June 30, 2017, an estimate of amounts due and payable on existing claims for which the College is self-insured and which are expected to be settled currently. For the plan year ended December 31, 2017, the College is self-insured with an aggregate stop loss of \$9,185,860. As of June 30, 2017, the College had unrestricted net assets of \$821,552 designated for health insurance benefits, which consist of the cumulative amount of College and employee contributions toward health premiums have exceeded expenses over the life of the plan.

NOTE 10 SELF-INSURED MEDICAL BENEFITS AND WORKERS' COMPENSATION (CONTINUED)

The College is self-insured for workers' compensation. As of June 30, 2017 and 2016, the College has recorded a liability of \$50,000 and \$125,000, respectively, for claims incurred but not yet reported. The Workers' Compensation Reinsurance Association (WCRA) provides stop-loss coverage for aggregate claims in excess of \$450,000. The College has established a workers' compensation reserve as required by WCRA, which is included in Investments on the balance sheets, of \$1,010,515 and \$1,005,025 as of June 30, 2017 and 2016, respectively.

NOTE 11 EXPENSES BY NATURAL CLASSIFICATION

The expenses reported by function on the statements of activities and changes in net assets are summarized by natural classification as follows:

	2017	2016
Salaries and Wages	\$ 57,439,817	\$ 55,410,592
Employee Benefits	19,786,433	19,778,016
Student Employment	3,981,714	3,869,434
Professional Services	5,577,860	4,742,395
Supplies	4,269,819	4,405,212
Equipment	2,250,410	1,981,767
Building Maintenance	4,472,493	4,696,120
Utilities	2,411,888	2,211,688
Interest Expense	3,388,052	2,693,156
Depreciation	10,798,461	10,861,109
Food Service	7,615,353	7,269,174
Travel	8,467,920	7,831,609
Other	7,629,204	7,865,306
Total	\$ 138,089,424	\$ 133,615,578

Other is comprised primarily of insurance, membership fees, meetings and entertainment and other miscellaneous expenses.

CARLETON COLLEGE NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS JUNE 30, 2017

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the College under programs of the federal government for the year ended June 30, 2017. The information in this Schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).* Because the Schedule presents only a selected portion of the operations of the College, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the College.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The College has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 3 PERKINS LOAN PROGRAM

Outstanding balance of Perkins loans administered by Carleton College at June 30, 2017 and loans advanced during the year were as follows:

	Loan Balance		Loans	
			A	Advanced
				_
Federal Perkins Loan Program (CFDA #84.038)	\$	6,508,799	\$	210,856

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Carleton College Northfield, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Carleton College (the College), which comprise the balance sheet as of June 30, 2017, and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 27, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Trustees Carleton College Northfield, Minnesota

Report on Compliance for Each Major Federal Program

We have audited Carleton College's (the College) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the College's major federal programs for the year ended June 30, 2017. The College's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the College's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Carleton College's compliance.

Opinion on Each Major Federal Program

In our opinion, Carleton College complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of the College is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the College's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
