Student Leadership & Involvement Grant
What is it?
The grant strives to provide partial funding in support of "outside the classroom" leadership development experiences throughout fall, winter, and spring terms. Leadership and involvement grants may also be used to aid in funding workshops or speakers at Carleton that will provide multiple students with knowledge and experience that will be applied to a student organization or initiative.

**The Draw-In Process and what to do if...**

**Need to Fill a Vacancy?**

- **1)** There is an opening in your room:
  - Choose someone returning to campus from an off-campus program or someone currently living on campus.
  - Wait for your vacancy to be posted and let others contact you.
  - **If you do nothing, someone will be assigned to the opening in your room. We anticipate using all spaces so it is highly likely someone WILL be assigned if you do not draw someone in.**

- **2)** You want to move from your current room to another room:
  - Check the online vacancy list at The Hub.
  - Talk with your current roommate(s) and let them know you’re looking for a change in housing.
  - Contact the remaining residents of the room with the vacancy.
  - If remaining residents agree, have them complete the draw-in form and return it to Res Life. Submit no later than Monday, October 19.

  *What happens to your roommate? See number 1*

- **3)** You currently live on campus but wish to vacate your current spot and need a new assignment:
  - Check the online vacancy list at The Hub.
  - Contact the remaining residents of the room with the vacancy.
  - If remaining residents agree, have them complete the draw-in form and return it to Res Life by Monday, October 17.
  - OR
  - Complete a housing preference information form
  - If you choose this option, you will be housed in line with your class year, however your lottery # will not be used and you will automatically be placed at the end of your class year.

- **4)** You are a proxy looking for space for someone who is off campus?
  - Check the online vacancy list at The Hub.
  - Contact the remaining residents of the room with the vacancy.
  - If remaining residents agree, have them complete the draw-in form and return it to Res Life by Monday, October 31.

---

**DRAW IN FORMS ARE DUE:**

- **October 17**
  - If drawing in someone currently living on campus.
- **October 31**
  - If drawing in someone currently off campus who is returning winter term.

---

**Completely Vacated Rooms**

Completely vacated rooms are very limited and are not posted. They are first offered to students returning from off campus using 2016-17 lottery numbers to determine placement. If there are rooms available, offers will be made to currently housed students who have requested a room change based on draw numbers.

These rooms will be offered to returning students via email the week of October 17.

**Having trouble locating a roommate or room?**

Talk with your Resident Assistant, your Area Director, or with the Residential Life staff in Sevy G10, x4072.
