FEATURED CAREER CENTER
STUDENT CAREER ASSISTANT

Walker Johnston ’18

Hometown: Bowling Green, KY
Major: Art History / Cross-Cultural Studies

Favorite part about being an SCA?:
I love having the opportunity to make all students feel welcome and comfortable walking into the Career Center because I know that trying to find internships and thinking about the future can be daunting. Feeling as though I can provide meaningful assistance that helps to alleviate any anxiety students may feel about their career paths is definitely the best reward for me.

One thing you want people to know about the Career Center:
The Career Center has rooms that students can use, provided they are available, or reserve for their career-related use! These can be very handy, say if you need a quiet space for a phone interview and your roommates have decided to throw a spontaneous midday party in your room.

DRESSING FOR INTERVIEWS

Quick tips to keep in mind if you have an upcoming interview:

1) It’s always better to be overdressed than underdressed.
   When in doubt, go formal
2) Try to wear a suit. “Suit” means: matching jackets with pants/skirt
3) Avoid bright colors, flashy prints
4) Wear something that you’re comfortable in and fits you well
5) Make sure your clothes are neat, clean and pressed
6) Keep jewelry and hair accessories to a minimum
7) Wear polished, closed toe shoes
8) Match your sock or nylon color to your pants or skirt color
