Monday’s Riddle Answer
Two children, all tangled up in their reckoning of the days of the week, paused on their way to school to straighten matters out. “When the day after tomorrow is yesterday,” said one, “then ‘today’ will be as far from Sunday as that day was which was ‘today’ when the day before yesterday was tomorrow!”

On which day of the week did this puzzling prattle occur?

Answer: The two children were so befogged over the calendar that they had started on their way to school on Sunday morning!

Daily Brain Teaser
You have a 3-gallon jug and a 5-gallon jug. How can you measure out exactly 1 gallon without wasting any milk?

Answer in Friday’s NNB

Student Leadership & Involvement Grant

What is it?
The grant strives to provide partial funding in support of "outside the classroom" leadership development experiences throughout fall, winter, and spring terms. Leadership and involvement grants may also be used to aid in funding workshops or speakers at Carleton that will provide multiple students with knowledge and experience that will be applied to a student organization or initiative.

Where do I apply?
go.carleton.edu/activities
