Riddle of the Day
A grocer has ten customers, each wanting to buy a 2-pound bag of sugar. A 20-pound bag of sugar was delivered that morning, but they had not yet divided it because they could only find the 5-pound and 9-pound weights. One of the customers, getting impatient, showed them the quickest way to measure the sugar with the two weights they already had. How did she do it?

Answer in Monday’s NNB

Student Leadership & Involvement Grant
What is it?
The grant strives to provide partial funding in support of “outside the classroom” leadership development experiences throughout fall, winter, and spring terms. Leadership and involvement grants may also be used to aid in funding workshops or weekend retreats at Carleton that will provide multiple students with knowledge and experience that will be applied to a student organization or initiative.

Register your team for the
No Impact Challenge!

What? The 2017 Climate Action Week: No Impact Challenge, inspired by the documentary No Impact Man. Compete to reduce your environmental impact!

Who? New this year: Compete against St. Olaf! Anyone in the Carleton or St. Olaf communities -- friends, floor-mates, professors, teammates, etc. -- is welcome to participate!

How? Form a team of 3 to 10 people to take on the challenge. Collect all the waste you create during the week and compete to be the team with the lowest average amount of waste!

When? February 18-25. Deadline to register is 11:59 p.m. on Tuesday, February 14 on the SAO website.

Questions: Please contact Pallav Kumar (kumarp).
