Online Appointment Scheduling

Whether you’re working toward making plans for the coming summer, or you’re already hoping to talk about next year and beyond, come talk to a career counselor about whatever is on your mind. We are here to help you with everything from writing your first resume to navigating grad school applications to accepting a post-graduation job offer! Career counselors also offer practice interviews and assessment inventories.

Make your next career counseling appointment through the Tunnel. Log on any time – day or night – to schedule. Filter available appointments by day, time, or counselor, and decide what works best for you. Questions? Stop by the Career Center, e-mail us at careercenter@carleton.edu, or call us at 507-222-4293.

Summer 2017 Student Internship Panel
Tuesday, May 9, 6:00 p.m. – 7:00 p.m., Leighton 305

Join us for a panel discussion with three current students who have completed successful summer internships in the past, and get advice on how to make the most of any internship this summer. Panelists will discuss what to expect, pitfalls (and how to avoid them), and tips on how to have a awesome summer. This will be an open discussion and we love to have questions! Pizza will be provided; please R.S.V.P. through the Tunnel.

Cultivate your online presence. Connect with alumni working in your career areas of interest. Make an impression on members of the Carleton community. Learn about the skills and experiences necessary to succeed in the working world, according to alumni.

Your Student Profile is your link between your life at Carleton and your life after Carleton. It’s a space that’s open only to members of the Carleton community (students, faculty, staff, and alumni) where you can keep track of your experience and skills, build a professional online presence, and connect with others. Before applying to Carleton programs or reaching out to alumni, update your profile – people are looking at it! To learn more about pursuing career areas that interest you, search alumni profiles and read about the journeys of alumni who have succeeded in those same fields.
