Biomedical Research & Law

**SCHOLARS**

Application deadline: **Monday, February 4, 2019**

**Scholars** is an experiential learning opportunity for students to explore career options, make connections with alumni, and hone networking and professionalism skills. Scholars incorporates a career readiness component leading up to an on-campus symposium, site visits to a variety of organizations, and an alumni networking event during spring break. The 2019 programs are:

- Biomedical Research in the Twin Cities and Rochester
- Law in the Twin Cities

To learn more about the programs and how to apply, please view the virtual information session video series at go.carleton.edu/career.

---

**Career Kickstarter**

**Workshop Series Application Deadline: January 13**

Are you looking for methods and strategies to make your application materials shine? Would you benefit from having a set time each week to work on these materials? If yes, please consider **Career Kickstarter**! All junior and senior students are welcome to take this course. Students with more limited interactions with the Career Center or in their own professional development may find this course most helpful.

This interactive workshop will cover topics such as:

- Drafting strong application materials
- Networking with alumni and professionals in fields of interest
- Interviewing skills
- Using your interests and strengths to determine potential professional fits
- Methods and resources useful in the job search

This course will use a variety of methods to ensure students feel knowledgeable, comfortable, and confident in the job search. These methods will include classroom discussion, peer-to-peer learning, outreach with alumni, and a personalized review of the Strong Interest Inventory. If you have questions, please contact Laura Clemens at lclemens@carleton.edu.

**Application deadline:** Sunday, January 13, on the Tunnel.

---
