**INTERNSHIP REFLECTION POSTER SESSION**

Friday, October 13, 3:30 p.m. – 5:00 p.m.
Weitz Commons

We invite the Carleton community, including students, families, faculty, staff, and alumni to join over 80 Carleton students who participated in Carleton’s Internship Reflection and Career Readiness Program over the summer. The students will share their internship experiences during a public poster session. This is an opportunity to find out what current students learned through their experiences, to learn how Carleton’s support enabled these experiences (including significant funding from alums), and to hear how internships influenced students’ academic and career plans. We hope to see you there!

**30 Minutes**

*Gain knowledge. Make connections.*

Make connections, learn about a career field, and get practice with informational interviews – all in a half an hour! This is your last chance this term to connect with an alum through the 30 Minutes program. Join us!
