Friday’s Riddle

What can point in every direction but can’t reach the destination by itself?

Answer: Your finger!

Today’s Riddle

You will always find me in the past, I can be created in the present, but the future can never taint me. What am I?

Stay tuned for answer in Friday’s NNB!
CCCE Announcements

→ Interested in teaching middle school students your favorite hobby or subject? Faribault Middle School switched to a community school model, so they are looking for new, engaging programs for their students, particularly in music, photography or computer skills. Although, they are open to any new ideas as well! Contact Lizzy (ehrenl) if you are interested in creating a program or want to learn more.

→ Love science and want to share that passion with middle school students? Faribault Science Club and Young Chefs are looking for more volunteers to assist with programming at Faribault Middle School. Contact Lizzy (ehrenl) if you are interested or if you have any questions.
