Global Edge Internship Program

Application deadline: January 9, 2019
Program dates: June 15 – August 10, 2019 (firm dates)

To increase the number of Carleton students who intern in developing countries, the Career Center facilitates service-related internships in partnership with Connect-123. Participants are matched with an internship that is tailored to their individual interests and learning objectives in one of three sites: Buenos Aires, Argentina; Shanghai, China; and, Cape Town, South Africa. Internship options are available in all sectors, and the Career Center covers the program fee plus associated expenses (travel, room, and board). This is a very competitive program, and applications will be evaluated by a faculty-led committee. We can provide support for your application every step of the way; just drop by the Career Center any time. Please contact Rachel (rleatham@carleton.edu) with questions. Learn more and apply at apps.carleton.edu/career/students/internships/programs/globaledge.
