Answer!

...to the Last Riddle of the Term:

~~~
I am heard before
I am seen. Startled
and I am alive.
I rumble like
thunder, yet
I pour like
rain. I am felt
before I arrive;
stand with me and
you won’t survive.

What am I?

ANSWER:

A Stampede!

HAPPY LAST DAY OF CLASSES!

HAVE A GREAT
SPRING BREAK!
BAGEL STUDY BREAK

1st Reading Day
Thursday, March 14

4th Libe

2pm till the bagels run out

Gluten-free crackers too!

Gould Library
**BECOME AN SCA!**

Applications are due: **Monday, April 8**

Attend an information session: **Wednesday, April 3, 4:30 p.m.**

Sayles 253

Are you interested in becoming a student career assistant (SCA) for the Career Center? Come to this information session to learn more about the position – and the application and interview processes. Current SCAs will be present to share more about their experiences and to answer any questions you might have. A pizza lunch will also be provided.

To read the complete position description and to apply to become an SCA, please visit the Tunnel. Questions? Contact Toni at agrant@carleton.edu.

**SPRING BREAK AVAILABILITY**

Spring break is a great time to do some career exploration and preparation, and the Career Center is here to help you do just that.

Career Center staff members are available for in-person, phone, or video chat appointments during spring break. Schedule an appointment in the Tunnel for a time, date, and medium that works well for you.

If you’ll be on campus over break, stop by and see us. If you’ll be off campus, reach out to us to learn how you can cultivate connections, explore industry areas, and make some decisions about your career next steps – even while you are away from Carleton.

Best of luck with finals, and enjoy a relaxing and very well-deserved spring break!

---

**Spring Break @ the Career Center**

Led by Jeff Appelquist ’80, the Gettysburg Leadership Seminar will bring nine students to Gettysburg, Pennsylvania, to study the concepts of leadership and team building in the context of liberal arts and business careers – using a historical framework.

The Biomedical Research Scholars and Law Scholars programs will expose 25 Carleton students to careers in biomedical research or legal professions during pre-trip career readiness assignments, a full-day on-campus symposium, and site visits to organizations in the Twin Cities and Rochester.

---

**Apply for Summer Internship Funding**

If you have secured an unpaid or underpaid summer internship, you have the opportunity to apply for funding to make the experience possible. A number of generous Carls – alumni and parents – have contributed significant resources to provide students with diverse opportunities to learn and gain professional experience through internships; these funds are competitively awarded each year.

To be considered for summer internship funding, apply by **April 10**. With questions about summer internship funding, contact Rachel at rleatham@carleton.edu. Visit go.carleton.edu/internships to access the application and learn more about the summer internship funding application process.
