Spring break is a great time to do some career exploration and preparation, and the Career Center is here to help you do just that.

Career Center staff members are available for in-person, phone, or video chat appointments during spring break. Schedule an appointment in the Tunnel for a time, date, and medium that works well for you.

If you’ll be on campus over break, stop by and see us. If you’ll be off campus, reach out to us to learn how you can cultivate connections, explore industry areas, and make some decisions about your career next steps – even while you are away from Carleton.

Good luck with the end of the term, and enjoy a relaxing and very well-deserved spring break!
