ACE THAT INTERVIEW!

If you have an upcoming interview for a summer internship, a part-time job, or a post-graduation opportunity, schedule a practice interview with a career counselor. You can practice your answers to interview questions, gain personalized feedback on your interview skills, and be more prepared for your interview. To schedule, make an appointment on the Tunnel.

The Career Center also has interview rooms to be reserved for phone and video interviews. Ensure a quiet space, a big screen, and a professional and distraction-free background.

To reserve an interview room, give us a call at 507-222-4293, or stop by the Career Center any time during open hours. We are here to help!

Still Searching?
You’re not alone! There are hundreds of full-time job and summer job and internship postings live on the Tunnel job and internship boards – with more than 140 application deadlines coming up this week alone. There are also plenty of additional resources you can use as you seek out your next opportunity. Student career assistants and Career Center staff members are available for drop-ins every day to help you with the job search from start to finish. You can also adjust your Tunnel profile to receive e-mails tailored to your career field and geographic preferences. Log in to the Tunnel or stop by Johnson House to get started.

Become a Career Center Recruiting & Marketing Assistant!
Application deadline: Tuesday, May 7

The Career Center helps Carleton students explore the wide range of opportunities available as they prepare for life after Carleton. Recruiting and marketing assistants help promote these opportunities and play an integral role in this process.

Recruiting and marketing assistants serve as Career Center liaisons to employers seeking to hire Carleton students for jobs and internships. Team members will have the opportunity to represent Carleton and the Career Center at campus employer information sessions and in-office visits. They are integral to the process of promoting upcoming recruiting events and application deadlines to students.

To apply, please submit your résumé, cover letter and marketing/promotional sample you created (like a poster or flier) via the Tunnel. Please stop by the Career Center to work with a student career assistant on your application materials. Questions? Contact Andrea at akubinski@carleton.edu.
