AGH Meeting Room

Interested in learning more about having an LGBTQ+ identity in the workplace? Come hear out alumni and current students discuss their internships and work experiences, while balancing identities in a professional setting. This panel discussion will be a great opportunity to ask questions and network with alumni. Dinner will be provided! RSVP on the Tunnel.

This event is sponsored by the Career Center and the Gender and Sexuality Center.

Work in the Career Center this summer!

Are you interested in spending your summer on campus and assisting students as they explore life after Carleton? Do you have an eye for detail and love creative work? If this sounds like you, apply to join the Career Center staff this summer as the summer assistant!

The Career Center helps Carleton students explore the wide range of opportunities available as they prepare for life after Carleton. The summer assistant is an essential team member who works on summer projects and helps the staff prepare for the fall. The summer assistant welcomes students to the Career Center. You will answer phones, direct appointments and drop-ins, post job and internship opportunities, track event participation, and hang posters. You will also be trained to answer questions regarding resumes, cover letters, provide networking tips, explore job and internship opportunities, share interviewing tips, and learn more about other Career Center resources. As students reach out to the Career Center, you will help direct their questions by working with them directly or by referring to a career coach. The two other major responsibilities will be updating and creating branding and marketing materials and updating the Career Center website.

To apply, please submit a résumé and cover letter to Sarah Rechtzigel at srechtzi@carleton.edu.

Still Searching?

You’re not alone! There are hundreds of full-time job and summer job and internship postings live on the Tunnel job and internship boards. There are also plenty of additional resources you can use as you seek out your next opportunity. Student career assistants and Career Center staff members are available for drop-ins every day to help you with the job search from start to finish. You can also adjust your Tunnel profile to receive e-mails tailored to your career field and geographic preferences. Log in to the Tunnel or stop by Johnson House to get started.

Tips for a Better LinkedIn Profile

Before you start your summer job or internship, or take that first leap into a post-grad position, make sure your LinkedIn profile is in good shape so that you’re ready to connect with the new colleagues you will meet.

Tip #1: Photo – A professional photo is a must, but it’s okay to get creative. Put on your best shirt, have one friend hold a white sheet behind you, and have another friend snap a photo. You’ll be good to go!

Please drop in!

Student career assistant drop-ins:
Monday - Friday, 8:30 a.m. - 5:00 p.m. | Johnson House
Sunday - Thursday, 8:00 - 10:00 p.m. | Lower Sayles

Career Center staff drop-ins:
Monday - Friday, 3:00 - 4:30 p.m.
