CLEAN AND responsible graduating senior looking for sublet/apartment in Northfield for July. Would be happy with large closet. Email peiferd.

::USEFUL FACT::
Did you know over 50 mini fridges are donated in the Lighten Up garage sale held at the end of each year?
So you wanted to know more about self-scheduled examinations?

Read on. If you have other questions, contact the Registrar’s Office.

### What is a self-scheduled final exam?
- Each course that has a non-take home final examination has been assigned an exam slot during finals week. See the Registrar’s web site for a list of final exam slots. However, some faculty have also designated their final examinations as either optional or mandatory self-schedulable. If a final examination is self-schedulable, this means that a student may decide to take the final exam during any of the ten final exam slots.

### How do I sign up for a self-scheduled final exam?
- If the instructor is offering the course as an optional self-scheduled exam, during the last week of classes, inform your instructor that you intend to self-schedule your final in his/her course. Your instructor will notify the Registrar of your intent by providing that office with an individually labeled examination envelope containing your examination.
- If the instructor is only offering the exam as a self-scheduled exam, you do not need to sign up, the instructor will provide the Registrar’s Office with your examination.

### Where do I go to take a self-scheduled final exam?
- Report to the Concert Hall lobby.

### When do I go to take a self-scheduled final exam?
- Report to the Concert Hall Lobby at least 15 minutes prior to the time slot during which you wish to take your self-scheduled exam. See the back of the Schedule of Classes for a list of final exam slots.

### Then what?
- Present your picture ID (required) at the exam distribution table to receive your examination envelope.
- You will then be directed to your examination room. You may bring only materials with you to your seat, except pencils or pens and your examination envelope. You may also bring a calculator to a calculator-aided exam.
- The proctor will tell you when you may open your examination envelope to begin testing.
- The proctor will tell you when the exam period is over. You must stop writing when so directed and follow the proctor’s directions for turning in your completed examination. Exams will not be accepted from students under any conditions. If the room is crowded, you might not be allowed to leave the room prior to the end of the exam period; proctors will inform you of any such restriction at the beginning of the exam.

### What if I change my mind?
- Once you have picked up your examination envelope from the distribution site, you will not be allowed to back out of taking your examination.
- Once you have picked up your examination envelope, you may not change your regularly scheduled exam (unless the instructor is offering the exam as a self-scheduled exam). Simply report to the regularly scheduled exam room at the appropriate time.
- Do not pick up your examination at the distribution site. Read on. If you have other questions, contact the Registrar’s Office.

### What about academic honesty?
- To avoid the appearance of academic dishonesty, don’t talk about exams at all until after the last exam is over!! For example, if someone asks you, “How was the test?” the only appropriate answer is “I can’t talk about the exam, sorry.”

GET INVOLVED

Stop by Sayles 150 anytime or visit: http://apps.carleton.edu/campus/ccce/ to learn how you can get involved in the community!

OTHER OPPORTUNITIES

Volunteer for the BioBlitz!
Staying in Northfield over the summer? Interested in hanging out with and tutoring local students while you’re here?
Email klugk.

Help recover food!
Every day our dining halls have to throw out over 40 pounds of food while families in Faribault (the second hungriest city in MN) go hungry. Through Food Recovery we can REDUCE our food waste by SAVING this good food and connecting it to people who will appreciate it.
Want to get involved or learn more?
Contact kaufmans

It’s time to Lighten Up!
LIGHTEN UP is an annual garage sale that collects and sells students’ unwanted items at the end of the school year.
The money raised goes to 3 local nonprofits: The Key: Northfield Union of Youth, Project Friendship, and Northfield Area Special Olympics. Last year Lighten Up raised over $26,000.
Remember to put your unwanted items at the Lighten Up sites in your dorm.

Sale dates: Friday, June 20 8am-5pm
Saturday, June 21 8am-noon
at West Gym

Carleton Funded Summer Internships
Raise awareness about celiac disease with the Just Food Co-op
Work on the Green Steps program with the city of Northfield
Do an economic analysis of summer art events with the Northfield Downtown Development Corporation.
Contact kscheuerman ASAP if interested

Record your volunteer hours!
Remember to record your volunteer hours for this term. Contact plashc if you have any questions.
