ARE YOU looking for an apartment near Minneapolis? I have an empty room for roommate or sublet. For more Information Hao.Allen.Tran@gmail.com

::Carleton Fun Fact::
In 1963 Carleton’s Civil Defense Committee designated fallout shelters in campus basements and tunnels, installing air vents, rigging up bicycle-powered generators, and stockpiling emergency food and sanitation supplies that in some cases stayed in place for decades.
Open Mic
Perform for
Live at Sayles!

BUSES LEAVE FROM WILLIS AT 11:30 AM
**Bike Count**
Bike Northfield is looking for volunteers to count bicyclists and pedestrians as part of MnDOT's annual transportation study. Volunteers are needed in 1-hour long shifts 4:00-7:00pm on Tuesday, Wednesday, and Thursday (5th week). E-mail Kathy Dooley for more information.

---

**MicroBirth Film Screening and Discussion**
Come attend the MicroBirth film screening and discussion on April 29th in the Larson Meeting Room in the Weitz from 6:30-8pm! MicroBirth examines the link between the way babies are born (c-section, pain medications, breastfeeding, immediate skin-to-skin contact, etc.) and their health in later life, particularly the increased risk of developing several health conditions like allergies, asthma, type 1 diabetes, celiac disease, obesity, cardio-vascular diseases, mental health disorders and even some cancers.

Join us to view an award-winning documentary about the microbiome, birth and life-long health. Stay afterward for a discussion about the social, cultural, political, and ethical implications of medicalized birth with a reproductive anthropologist, a midwife, a bioethicist, a birth doula, and a mother. Dinner will be served. Please email kamerrer@carleton.edu or haywards@carleton.edu with questions.

---

**The 4th annual 5k for HOPE will be Saturday, May 9th at 9:30 am at the Rec Center!**

Register to run or help volunteer! Email clarkr@carleton.edu with questions.

---

**Lighten Up Workers**
The CCCE is looking for students to work for Lighten Up during senior week and reunion. Lighten Up collects donated clothing from students and resells it at a giant garage sale during reunion. The proceeds benefit nonprofit organizations such as Special Olympics, Northfield Union of Youth, and Project Friendship. We are hiring students to collect and sort the donated items and work during the sale. You can work either one or two weeks: June 9th-13th 9:00am-5:00pm (2:00-6:00pm on commencement), and June 15th-17, 19th-20th.

To apply, e-mail Kelly Scheuerman by May 8th 5:00pm with a brief explanation on why you would like to work for Lighten Up.

---

**Budding Naturalists**
Are you looking to get more involved in the Northfield community? Do you have any interest in education or the arts? If so, then you should consider becoming part of Carleton’s Budding Naturalist Club! Budding Naturalist is a unique club that combines mentoring, art education, and nature education through weekly lessons at Greenvale Elementary School during the after school PLUS program. We lead weekly nature based art lessons for Kindergarten through second graders to encourage students to foster an interest in the environment at an early age while creating close bonds with the students.

If you are interested in hearing more about the club or coming to volunteer with us, email rachmanoffv or uppalt.
