::Riddle Answer:::
Two mothers and two daughters go on a fishing trip. They each catch one fish, but there were only three fish in the bucket. How can this be if everyone caught one fish?
Answer: There were only three people on the trip: a girl, her mother, and her grandmother.

::Riddle of the Day::
Once a panda came into town. He went to a restaurant and ate. The panda ordered bamboo. When he finished eating, he took out a gun and shot the waiter then left. Once the police found him, they asked the panda why he shot the waiter. The panda just replied “Look me up in the dictionary.” What was written in the dictionary?

Answer in Wednesday’s NNB

OPPORTUNITIES

Phillips Scholarship Info Session

Thursday, October 22nd, 5:30 PM. Leighton 426.

Are you passionate about community service? Do you have a project idea that would address an unmet need in Minnesota? Are you a sophomore who receives need-based financial aid?

Attend Carleton's information session on the Phillips Scholarship to learn more about this great fund to support student leadership development.

Questions? Contact kscheuer@carleton.edu

Arboretum BioBlitz

Tuesday, October 20th, 9:00 AM to 12:00 PM

Are you interested in environmental issues, conservation, the outdoors, biology, education, or working with kids?

This free field trip will bring approximately 100 local elementary students into the Arb to experience environmental science “in action.” No experience is necessary to volunteer either on the day of the event or help plan logistics and curricula.

Contact: Anna Guasco (guasco)

Join College Buddies!

College Buddies pairs Carleton students with local adults who have special needs, and is an amazing opportunity to serve the community while making a lifelong friend.

Contact: Rachel Gallagher (gallagherr)
