NOW HIRING!

PROGRAM AND COMMUNITY ASSISTANT
3 different timeframe options
Do you have a lot of energy? Do you LOVE Carleton & enjoy talking to others about your experiences on campus? If you answered ‘yes’, working for SAP may be the summer job for you! PACA’s responsibilities include: preparing program materials, ensuring visitors feel welcome on campus, living in campus housing with program participants, organizing and participating in on and off campus activities, tutoring Japanese college students, and much more. PACAs are paid a stipend (which included a single, air-conditioned room and board) for their full-time summer work.

RESEARCH/RHETORIC ASSISTANT
Dates vary by program
Rhetoric/Research Assistants work closely with professors to provide academic support to the high school junior and senior program participants.
RAs choose to work with the: Summer Writing Program, Language and Global Issues Summer Institute, Summer Science Institute, Summer Quantitative Reasoning Institute, Summer Humanities Institute, OR Summer Computer Science Institute.
RA responsibilities vary by program.
For complete RA position descriptions see our website
