Peer Leaders at Carleton College

Carleton College employs hundreds of students in a variety of leadership roles. These student leaders are vital in providing important programs and services to the campus community. With the talent, energy and spirit of Carleton’s student leaders, the College stands well-poised to provide a true liberal arts education that challenges students to “learn broadly and think deeply.”

To this end, the Division of Student Life has developed a Peer Leader Integration Program, designed to unify and strengthen the efforts of its student leaders. This program has many overarching benefits, but emphasizes two main goals: 1) to develop a successful and inclusive combined Peer Leader Training Program; and 2) to identify how to best utilize the talent, energy and spirit of the student leaders in assisting fellow students in a collaborative manner. In pursuing these goals, we hope to build camaraderie among student leaders, promote greater understanding of the varied resources available to students, and ultimately lead to a higher level of student satisfaction and development.

The Cave

The Cave is one of the oldest and most established student organizations at Carleton College. With a Charter dating back to 1927, The Cave proudly serves Carleton students as the longest standing, student managed college pub in the United States. The Cave provides a welcoming, safe, and interactive environment for all members of the Carleton community. Along with a wide variety of live entertainment, The Cave also offers food and beverages for students to enjoy.

The Cave is managed by students and supported in a collaborative effort between the Carleton Student Association and the Student Activities Office. Specializing in the coordination and promotion of live
performances, The Cave provides exciting leadership opportunities for students to work closely with professional artists and agents throughout the entertainment industry.

The Cave has dedicated programming space in the lower level of Margaret Evans Hall and is open daily during the academic year. The Cave is also available for group meetings, socializing and studying.
