Peer Leaders at Carleton College

Carleton College employs hundreds of students in a variety of leadership roles. These student leaders are vital in providing important programs and services to the campus community. With the talent, energy and spirit of Carleton’s student leaders, the College stands well-poised to provide a true liberal arts education that challenges students to “learn broadly and think deeply.”

To this end, the Division of Student Life has developed a Peer Leader Integration Program, designed to unify and strengthen the efforts of its student leaders. This program has many overarching benefits, but emphasizes two main goals: 1) to develop a successful and inclusive combined Peer Leader Training Program; and 2) to identify how to best utilize the talent, energy and spirit of the student leaders in assisting fellow students in a collaborative manner. In pursuing these goals, we hope to build camaraderie among student leaders, promote greater understanding of the varied resources available to students, and ultimately lead to a higher level of student satisfaction and development.
