Campus Dining To Help Stop Hunger With Cans Across America

Carleton Dining Services is inviting students to help stop hunger and lend a helping hand to those in need right in our own community by taking part in a special Cans Across America promotion on October 18, 2006 at Burton Dining, Dining East and the Snack bar throughout the day with verification taking place at 6:15 at Burton Dining Hall.

Cans Across America features a wonderful opportunity for students to take part in a rewarding experience by donating canned food to help those in need. Highlighting the event will be an exciting attempt to set a new Guinness World Record for the most canned food donations raised during a single event in multiple locations across the United States. The best part is that all of the food collected during this promotion on campus will help those in need right in our own community.

According to Joe Winegardner, “Cans Across America is a great way for students to give back to the community, something most students truly want to do. It will allow them to have some fun, while helping a lot of deserving people. It’s also really exciting to have the chance to set a new Guinness World Record in the process. This event can prove to be our most rewarding promotion of the year.”

Cans Across America donations will take place on October 18, 2006 throughout the day at Burton Dining Hall, Dining East and The Snack Bar. Guinness Book of World Records verification will take place at 6:15 at Burton Dining Hall when all cans collected will be brought to Burton for verification. For more information on this and other campus dining events, please contact Campus Dining Services at 4066, or visit our special promotion website at www.helpstophunger.org or www. forstudentsbystudents.com.
