Summer Meal Plans at Carleton

This summer for the first time, Carleton Dining Services will offer meal plan options to students living and working in Northfield over the summer. The plans will be active from Monday, June 24 – Saturday, August 17 whenever LDC is open. (There are a few days when Summer Academic Programs residents do not eat their meals on campus and at those times LDC is closed. The LDC is also closed during Steam Plant shutdown week, July 1-5.) LDC hours will be posted one week in advance on the Dining Services website and on the college’s online events calendar.

Three meal plans will be offered: 20 meals, 50 meals, and 100 meals. These meal plans are good during any meal period and don’t expire at the end of the week. Any meals left at the end of the summer will not be refunded. There are no dining dollars attached to any of the plans and the meals can’t be used at Sayles Café.

Prices for the meal plans are:

- 20 meal plan $130
- 50 meal plan $325
- 100 meal plan $650

To sign up for a meal plan before June 24, send a message to onecard@carleton.edu. You will have the charge added to your student account. After June 24, you may use your Schillers to purchase a meal plan on the Dining Services website.
