Welcome to FlexSystem and to the tax saving benefits of a Section 125 Cafeteria Plan.

We hope you will find FlexSystem to be an efficient and valuable service. Our Participant website is www.tasconline.com and is referred to as MyTASC throughout this Guide. This Guide will walk you through the initial login process, how to request a reimbursement, and how to re-enroll, as well as how to use several other Participant web tools. Please retain this Guide for future reference. If you have additional questions, log in to MyTASC and select Contact Us or call Customer Care at 1-800-422-4661.

Here's what you'll find inside:

- MyTASC: Online Account Management 2
- Request for Reimbursement 3
- Change of Elections 5
- Plan Year End 5
- $2,500 Health FSA Cap 5
- Additional TASC Card Request Form 6
MyTASC: Online Account Management

TASC offers a variety of ways to manage your Flexible Spending Account, including an online portal called MyTASC (www.tasconline.com), the MyTASC Mobile application for Android and Apple smartphones and tablets, and TXT Messaging using any SMS compatible device. To access these services, a valid email is required. If you or your employer has provided an email address upon your initial enrollment, you will receive an email with instructions on how to setup your MyTASC account for the first time. You will be asked to set your Password and once logged in, you may create your own Username. If you do not change your Username, it will remain as your 12-digit TASC ID, which you will find on your personalized Request for Reimbursement Form included with this guide. (When entering your 12-digit TASC ID, you will need to enter the dashes.)

If you did not receive an email titled “Welcome New FlexSystem Participant” with access instructions, please call Customer Care at 1-800-422-4661. Provide us with your email address and we’ll enter it in your Profile, then you will be able to access your account online. (NOTE: If you need an email address and do not have one, many email hosting services are free, such as Gmail, Hotmail, Yahoo, etc.)

Profile Settings
To access your profile settings, click on Profile from the Participant Manager page.

Usernames can be changed by clicking on Change next to the Username, enter your new Username and click Save. Usernames must be at least 10 characters and unique to our system. To avoid possible Username duplication, you may use your email address for your new Username.

Passwords are changed by clicking on Change Password. An email is sent to your email address. (If you do not receive the message within a few minutes, it may have been blocked as spam by your email provider; please check your spam or junk folder to retrieve the message.) Select the link in the email and enter your new password. Passwords must be a minimum of eight characters and must contain at least one upper case letter, two lower case letters, and one number. Passwords will expire periodically.

Email and Text Notification services are available in MyTASC. Sign up to receive notifications concerning your account balances, reimbursement requests, and payments. Only benefit related emails specific to your account are emailed; no SPAM or other notifications are sent.

1. Validate your email address and enter your mobile phone number in the Profile page. (A valid email address must be entered to receive text messages.) A text message with a verification number will be sent to your mobile phone with a verification code.
2. Enter the verification number in your Profile and select OK. The verification process must be completed to authenticate your settings.
3. Select from the Notifications listing how you want to be contacted (via email or text message) for each option listed (check sent, direct deposit sent, MyCash deposit sent, Request For Reimbursement (RFR) Denied, RFR Received, Veriflex Received).

Account Summary

Online: To view your current benefits and available funds through your MyTASC online account, click on the Account Management link from the Participant Manager page.

You will see a separate table for each benefit showing your available funds, annual election, total contributions, and total reimbursements. Also listed on this page is your period of eligibility, the last date reimbursement requests can be submitted (Runout Period End Date), and if applicable, the Grace Period End Date.

Select the Contributions tab to view individual contributions for your benefit elections. You may sort by one benefit or by all benefits with the Filter by Benefit drop down and select the Filter by Payroll Date to select one payroll. The Posted column indicates if contributions have been applied with a Yes or No.

MyTASC Mobile: For the ultimate in convenience,
you can access your account information from anywhere, at any time with the MyTASC Mobile app. And by using your phone’s or mobile device’s camera, you can submit requests for reimbursement along with any substantiation documents directly to FlexSystem. To download the MyTASC Mobile App, visit the Apple App Store or Android Market and search for TASC. MyTASC Mobile runs on most Android based phones and tablets, as well as the Apple iPhone, iPad, and iPod Touch. MyTASC Mobile provides fingertip access to many of the same features available through your online account.

**TXT Messaging:** Account balance information may also be retrieved via a text message. Enter your mobile number in your account profile and then send a text to 41411 with the message TASC BAL. Almost immediately, you will receive a text back with your current balance. Note: you must register your mobile phone (see Email and Text Notification) to use this feature.

**Requests for Reimbursement**

Along with this guide, you received a personalized Request for Reimbursement Form. Additional forms may be downloaded from your Participant Manager using the Download Reimbursement Request Form link. On the back of the Form are some valuable Reimbursement Tips (for faxed and mailed forms). For a fast, easy way to submit your requests, try MyTASC Mobile and use your mobile device camera to take a picture of your receipt and submit it to TASC for payment. Or try our online Request for Reimbursement Wizard. From your Participant Manager, simply select the Request for Reimbursement Wizard link and follow the instructions to enter your request.

If your employer has elected Claim ConneX and you are enrolled in Claim ConneX for your Medical Out-of-Pocket Flex Plan, your medical insurance provider automatically submits the unpaid portions of your medical claims to TASC for processing. Those claims will be automatically reimbursed to you from your Medical Out-of-Pocket Flex Plan. No action is required from you to receive reimbursement for those claims. In addition, if your employer’s FlexSystem Plan has Reimbursement Ordering and you have a Medical Out-of-Pocket Flex Plan and a DirectPay Plan, requests submitted via the online Request for Reimbursement Wizard or via your medical insurance provider (Claim ConneX feature) will automatically be routed to your Plan that reimburses first and then to the Plan that reimburses second for processing.

You may request reimbursement any time a qualified expense has been incurred. The service related to the expense needs only to have taken place; it need not be paid before requesting reimbursement. Only submit Requests for Reimbursements that are (a) for eligible expenses incurred during the applicable Plan Year, (b) for eligible Plan Participants, and (c) for expenses that have not been previously reimbursed under this or any other benefit plan or claimed as an income tax deduction. It is your responsibility to comply with these guidelines and to avoid submitting duplicate or ineligible Requests for Reimbursement.

Requests for reimbursement are processed daily. Once a request is reviewed and approved, a reimbursement is issued to your MyCash account. For dependent care and non-employer sponsored insurance premium reimbursements, the account must contain sufficient funds for reimbursement. If there are insufficient funds in the account, reimbursement will be limited to that particular account’s balance amount only. The outstanding balance of the request will remain as Pending until additional deposits are received, at which time an additional reimbursement will be initiated. Medical Out-of-Pocket expenses will be reimbursed up to your total Plan Year election less prior reimbursements.

All reimbursements are deposited in your MyCash account. You can access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts Visa, (2) withdraw at an ATM using your TASC Card, or (3) transfer to a personal bank account (or paper check*).

Click on the MyCash Manager link in MyTASC to view and manage your MyCash funds.

*Paper reimbursement checks are issued on a limited basis and only upon request. A convenience fee may be applied per check.

**TASC Card**

Your employer may have elected the TASC Card feature for your Plan. The TASC Card is requested for Participants as soon as the enrollment is approved. The card is generated in the name of the Participant and mailed along with the Cardholder Agreement directly to the Participant’s home address. Activation instructions are provided with the card and Participants will need to activate the TASC Card prior to their first use. Participants may visit www.tasccard.com/activate or may call Customer Care at 1-800-422-4661.
MyBenefits.
The TASC Card works like a typical debit card, but is used as a credit card for eligible medical, dependent daycare, or transportation expenses, based on the funds available in your benefits account. Rather than paying out-of-pocket and waiting to be reimbursed, the TASC Card allows you to pay for eligible expenses when the service is provided (or when an eligible product is purchased). Card purchases are limited to the Plan types elected, and also to merchants with an inventory information approval system (IIAS) in place to identify FSA-eligible purchases.

When using your TASC Card, the amount of the expense is automatically deducted from your Plan’s balance and paid directly to the authorized provider. Please remember to save your receipts as you must retain records and documents that support and validate your TASC Card transactions. In some cases, you may be required to submit receipts and/or any other related documentation. If a business does not accept the TASC Card, submit a request for reimbursement via MyTASC Mobile or the online Request for Reimbursement Wizard, or mail or fax your paper request to the address on your Request for Reimbursement Form.

MyCash.
The TASC Card is a convenient way to access your MyCash funds (reimbursements)—simply swipe your card at a merchant or ATM. MyCash funds can be spent any way and anywhere Visa debit cards are accepted; purchases are not limited to a merchant or by type of expense. Visit your MyCash Manager (Cardholder Information) within MyTASC (www.tasconline.com) to request a PIN for ATM use.

MyWay.
With access to two accounts, the TASC Card is more versatile than ever. Use the TASC Card your way! Avoid embarrassing declines; MyCash funds can be used to pay for eligible expenses if no funds are available in your MyBenefits account. Purchase retail and healthcare items together in one transaction—the TASC Card is smart enough to know that eligible expenses are paid from MyBenefits and ineligible expenses are withdrawn from MyCash. Transfer funds at any time in any amount (up to the fund balance) from your MyCash Manager. Plus, save money with MyCash; when reimbursements accumulate in the MyCash account, the “special stash” can be used for a vacation or shopping spree.

TASC Card with exclusive MyCash access
If your employer has not elected the TASC Card for your benefits Plan and you have not elected direct deposit for your reimbursements, you will receive a special TASC Card with exclusive MyCash access. The card serves as a reimbursement card only. It will not have access to benefits funds. Reimbursements for eligible benefits expenses will be deposited into your MyCash account. You can access your MyCash funds with the swipe of your TASC Card at any merchant that accepts Visa or at an ATM (with a PIN). Or you may visit your MyCash Manager in MyTASC to set up a transfer.

Direct Deposit
To establish direct deposit of your MyCash funds to a personal bank account, visit MyCash Manager (within MyTASC), Schedule a Transfer. Enter your Bank Account information, then set up an Automatic Transfer to occur every time funds enter your MyCash account. With Automatic Transfer (direct deposit), funds are forwarded from your MyCash account to your bank within 48 to 72 hours of a complete submission. Remember to verify receipt of deposits before writing checks against expected payments. TASC is not responsible for any bank fees associated with overdraft charges.

Online Requests for Reimbursement
Submitting Requests for Reimbursement online is easy! Here are the simple steps you should follow:

1. Go to www.tasconline.com, login to access your account, and click Request for Reimbursement Wizard.

2. Enter all required information (Service Date, Service Type, Amount Paid, Service Description, Service Provider, etc). Each expense incurred must be submitted individually. Do not combine several expenses into one total.

3. Before submitting the request, review your request carefully and correct any errors.

4. Be sure to review your contact and other information to confirm it is correct.

5. Remember to submit your receipts! To submit a receipt after submitting your online Request for Reimbursement, print a Veriflex Coversheet (select the Veriflex Coversheet link from your Reimbursements tab). Select the link associated with the appropriate Request ID. (Receipt must include service provider name, date of service/purchase, amount charged, and description of service/purchase.)
6. After printing the VeriFlex Coversheet, assemble your documents. Copy your original receipts to an 8-1/2 x 11 sheet of paper. (Retain originals for your records.) Place the receipts for each expense on the VeriFlex Coversheet directly behind the Coversheet. If sending multiple Coversheets, each Coversheet must have its receipts placed directly behind the applicable VeriFlex Coversheet. If one receipt covers expenses on multiple VeriFlex Coversheets, make a copy of the receipt to submit behind each VeriFlex Coversheet. Date and sign your forms; unsigned forms will be declined.

7. Fax or mail the Coversheet and receipt(s) to FlexSystem. If faxing, please fax each Coversheet and its receipts separately.

**MyTASC Mobile Requests for Reimbursement**

Submitting a Request for Reimbursement via the MyTASC Mobile app is even quicker than our online Wizard. Simply enter the required information as prompted and attach your receipt right to the Request for Reimbursement by either taking a new photo using your mobile device camera or selecting an existing image.

**Managing Your Requests**

To view your submitted Requests for Reimbursements and payments, click Account Management from the Participant Manager, then Reimbursements. Payments are in the Reimbursement Disbursements section and show the date payment was initiated, amount, and how payment was made.

Submitted Requests for Reimbursement are shown in the Submitted RFRs section. Use the Filter by Benefit drop down box to view requests for one specific benefit or to see all requests. This summary table shows the Submitted Date, Request ID, Requested Amount, Benefit type, Veriflex Status, Paid Status, and how the request was received. You may also sort within each column by clicking on the column title.

To see more details, click on the Details link in the Request ID column. This detail link provides you additional information about the individual request, including: Date of Service, Service Type, Service Description, and Provider Name.

You can also obtain most of this information from your mobile device using the MyTASC Mobile app.

**MyCash Manager**

It’s easy to manage your MyCash funds from the MyCash Manager within MyTASC. From MyCash Manager, you can view recent MyCash activity and card information, submit an ATM PIN Request, save bank account information, and transfer funds to a personal bank account. You can view MyCash activity and balance via MyTASC Mobile, too.

**Change of Elections**

You may change your election during the Plan Year only under certain circumstances and only within 30 days of the qualifying event. For example, if you get married or divorced, have a child, or experience a change in work status, you may be able to make a change of elections. (See your employer for a complete list of circumstances and the appropriate form to use.)

**Plan Year End**

Typically there is a transitional period at the end of your Plan Year during which time you may be able to incur and/or submit expenses. Check with your employer for complete details on your Plan. The Plan Year is officially closed following a transitional period at the end of the Plan Year, or sooner if directed by your employer. Once closed, any unused funds are returned to your employer.

Near the end of the Plan Year, you will have the opportunity to re-enroll in your Flex Plan. Please check with your employer on your specific re-enrollment procedure.

**$2,500 Health FSA Cap**

Beginning in January 2013, employee salary reductions to a medical Flexible Spending Account (FSA) are limited to $2,500 per Plan year. This limit is in effect with your next medical FSA Plan that begins on or after January 1, 2013. Limits are indexed annually for inflation.
Additional TASC Card Request for Spouse/Dependent

Give your dependent the flexibility of their own TASC Card. The additional TASC Card offers your spouse or dependent the same convenience and advantages you enjoy! To request a TASC Card for your spouse or dependent, just complete sections 1, 2, and 3 below, sign and date the application and fax to 608-245-3623 for processing.

How is the TASC Card issued?
The TASC Card and a standard Cardholder Agreement will be mailed directly to your mailing address within 7–15 business days.

Can I have more than one additional TASC Card?
Each participant receives one additional card for their spouse or dependent free of charge. A $10.00 fee will apply for each subsequent TASC Card generated. This fee will be deducted from your FlexSystem account upon the creation of the card(s). Each application may be used to request one additional card; subsequent requests will require additional applications.

Participant Authorization for an Additional Card
I understand that the above named individual will have access to my flexible spending account(s) and MyCash account. I accept all responsibility for all TASC Card transactions incurred by the above named individual and for submitting the supporting documentation, as requested, for those TASC Card transactions. I acknowledge and agree that upon any inappropriate or fraudulent use of the TASC Card, or termination of employment, I will immediately return all TASC Cards issued for use against the account to my Employer.

Section 3: Agreement
I hereby request an Additional TASC Card for the above named spouse or dependent. I understand and agree to the above authorization terms.
