Rinku Sen is an Indian-American author and community organizer who has been a leading figure in the movement for social, racial and gender equity for the last twenty years. She currently serves as president and executive director of the Applied Research Center, a public policy institute advancing racial justice through research, advocacy, and journalism. Sen's work promotes a positive shift from conversation to action by offering tactics and strategies for working toward justice. See in the author of The Accidental American: Immigration and Citizenship in the Age of Globalization and Stir It Up: Lessons in Community Organizing.
