Latino Heritage Month Convocation with Arlene Davila
10:30 a.m., Skinner Memorial Chapel
• Office of Intercultural Life
• Arlene Davila is a cultural anthropologist interested in urban and ethnic studies, the political economy of culture and media and consumption studies. Her work focuses on Puerto Rican in the eastern U.S. and Latino nationwide. She is currently working on a collection of essays on the production and circulation of contemporary representations of Latinidad examining current debates about the so-called “mainstreaming” and “rebellious” concept of U.S. Latinos. She is also interested in the politics of culture and representations in the media in a variety of institutional settings as seen in museums and contemporary culture industries. As Professor of Anthropology and Social and Cultural Analysis at New York University, Davila teaches courses on comparative ethnic studies, race and nation in the Americas, Latino/a popular culture, global ethnography and consumption studies. The title of her presentation is “La Latina/lando: Public Image, Propaganda, and the Whitewashing of Race.”
