QuAE Worksheet

1. **What is your research question?** Summarize it in one or two sentences.

2. **What is your answer to your research question?** Summarize it in one or two sentences.
   *If you have not fully completed your data analysis, it is OK to use what looks like the most likely answer given the analysis you have done so far.*

3. **What evidence do you have (or need to produce) to support your answer?**
   *Examples: “A comparison of trustworthiness scores with average height,” or “Graphs showing income by race across a variety of professional fields.”*
