Laundry Instructions

1. Load clothes and note machine number.
2. Swipe card on the appropriate laundry controller.
3. When prompted for Machine #, use the number pad to key in the designated machine number. Hit “Enter” to confirm or “Clear” to edit the number.
4. The controller displays the machine selected and the cost and then shows two options. Select “Enter” to start, “Clear” to cancel. A successful transaction concludes with and APPROVED message.
5. Proceed to the designated machine and select cycle.
