Creating Rewarding Education Development Opportunities (C.R.E.D.O.) Career Center Board member Laura Clise '01 established this fund in 2006 to facilitate learning and development opportunities for students with financial need who want to pursue unpaid internships or research fellowships.

PROFILES OF RECIPIENTS AND HOST ORGANIZATIONS

Xin Chen '13, Mathematics
Hometown: Tianjin, China
Xin worked in the Beijing University Department of Mathematics on a combinatorics research project during the summer under the guidance of Professor Chunwei Song. This program in China is equivalent to a U.S. Mathematics Research Experience for Undergraduates.

Vayu Maini Rekdal ‘15, Undeclared
Hometown: Los Angeles, CA
Vayu conducted research on science and cooking at Fundacion Alicia, as well as some educational outreach in the foundation’s facilities. Supervised by some of the best chefs in the world, he learned about all the aspects that form a part of cuisine – from the use of new techniques and products to the optimization of traditional processes.

Breanna Tetreault ’13, Biology
Hometown: Northfield, MN
Breanna explored her future career in medical social justice at the Tutwiler Clinic, in Tutwiler, MS. She shadowed nurse practitioners and Sister Anne Brookes, DO and Tutwiler's Medical Director. It is a human right to be healthy, and with her unpaid internship at Tutwiler Clinic Breanna continued her pursuit of making that human right a reality.
