Remote workers allowed

The Summer Financial Analyst Program is designed to provide undergraduate students with an in-depth understanding of the day-to-day responsibilities of a full-time analyst. You will gain exposure to Wells Fargo’s operations, business strategies, and corporate culture by working in a Wholesale Banking office with experienced team members. The Summer Financial Analyst Program is approximately 10 weeks in length and is non-rotational. Offers are made for a specific office and lending group, based on candidate preference and business need. Our summer financial analysts are also encouraged to help strengthen communities through volunteer efforts, practices, and projects. Volunteerism and other forms of community support are key elements of Wells Fargo’s Vision and Values. As one of the world’s “100 most respected companies” by Barron’s magazine, we always strive to promote the long-term economic prosperity and quality of life for everyone in our communities. Let’s build your career and a stronger community.

Our lending businesses

You may be placed in one of the following Wholesale Banking businesses:

- Commercial Banking works with mid-sized companies in all industries with revenue between $20 - $500 million
- Commercial Real Estate provides financing to commercial real estate owners, developers and investors
- Corporate Banking works with some of the largest, most well-known companies in the U.S. with revenues exceeding $500 million
- Global Banking supports a company's international financial needs and trade activities
- Government & Institutional Banking works with government entities and education, non-profit, and healthcare institutions
- Specialized Lending and Investment is a specialty business that provides tailored market-specific financing.
- Wells Fargo Capital Finance provides asset-based lending to companies in the U.S., Canada, and United Kingdom
- Wholesale Risk manages the recovery of distressed assets

Your next step
Summer financial analysts who successfully complete the program are considered for the Financial Analyst Program. A significant number of interns who work with us during the summer return to Wells Fargo full-time.

**Duration**

10 week summer internship

**Contacts**

Rachel Bruce

**Desired Skills**

**Program qualifications**

*Minimum qualifications*

♣ Strong analytical skills

♣ Excellent verbal, written, interpersonal communication skills

♣ Strong organizational skills and ability to multitask and work in a deadline-driven environment

♣ A high level of initiative, accountability, attention to detail

♣ Proficient with Microsoft Office®, including Excel and Word

**Responsibilities**

**Support for your success**

During the summer, we focus on your training and development so you’ll be prepared to take your next career step once you complete the program. You’ll get:

♣ On-the-job experience: Working as part of a high-performing team in your business group is how you will gain in-depth experience as a summer financial analyst. You will begin to build your analytical skills and understanding of credit by actively participating in your team’s day-to-day activities.

♣ An orientation event: You will gain insight into Wells Fargo’s corporate and credit culture, as well as opportunities for community involvement, networking and analytical training in line of business-specific concepts.

♣ Professional support: You will be matched with a full-time analyst and a high-performing relationship manager who will be your resource and coach, available to answer your questions, help you through challenging situations, and give you feedback throughout the course of the summer.

♣ A virtual speaker series: Wells Fargo’s top leaders provide insight into how to make the most of your summer experience while you get to learn about trends in the financial markets.

♣ Organized networking activities: We promote community involvement and networking with other summer and full-time financial analysts
