Bring Your B.A. to Our Team

The Morningstar Development Program helps prepare recent college graduates for successful, long-term careers, wherever they may lead. As a participant, you will gain exposure to different aspects of Morningstar’s business while gaining foundational skills such as knowledge of the financial industry and securities, business development skills, and the softer skills needed for long term success.

Desired Skills
Motivated, curious people can succeed at any number of roles here. If your degree has taught you how to think and apply concepts to real-world situations, you’re ready to come build a career at Morningstar with the Morningstar Development Program.

"We spend a lot of time making sure we hire people who are bright, creative, and passionate about our mission of helping investors." -Joe Mansueto Founder and CEO

Responsibilities
Not convinced? Among our most senior executives are people with degrees in history, political science, psychology, and Russian literature. So bring your outstanding academic record, creativity, analytical skills, and adaptability to us and let’s discuss it. We speak Shakespeare, sociology, and science, in addition to investments.

Morningstar, Inc.

Morningstar, Inc. is a leading provider of independent investment research in North America, Europe, Australia, and Asia. We offer an extensive line of products and services for individual investors, financial advisors, asset managers, and retirement plan providers and sponsors. Morningstar provides data on approximately 500,000 investment offerings, including stocks, mutual funds, and similar vehicles, along with real-time global market data on more than 15 million equities, indexes, futures, options, commodities, and precious metals, in addition to foreign exchange and Treasury markets. Morningstar also offers investment management services through its investment advisory subsidiaries and had more than $179 billion in assets under advisement and management as of March 31, 2015. We have operations in 27 countries.
